To Whom it may concern.

I am writing to request \$1500.00- \$2000.00 from the township of Brock to cover the cost of replacing my hedge.

Unfortunately back in November of 2019, my hedge was cut back away from the sidewalk, but to the point it will not grow back in. This not only is an eye sore to the residents of Beaverton, but also allows excessive light to shine into my front windows from the arena across the street. On top of all of that it was trimmed leaving dangerous spikes that someone could hurt themselves on.

I did not receive any notice that my hedge was going to be cut. I have pictures of what the hedge looked like to show it was not drastically impeding the sidewalk. If I had notice I would have explained this was a problem I inherited from the previous homeowners, and that I was actively working on trimming it back so it did not kill my hedge.

I'm hoping we can work together to come up with a solution for this problem. I can be reached at any time at [REDACTED]

I was asked by Claire Doble to send an email in, I have been dealing with her and Paul Lagrandeur in regards to this matter. But have been informed it needs to go to council

Thank you for your time,

Douglas Cole Fox

Hello,

As my Husband Gord is at work today, he asked me to send this request to you.

Being under Quarantine, living in a brand new subdivision with no grass for the little people of our subdivision we would like to brighten things up a little by hosting a Socially Distanced and Responsible Block Party for everyone in our subdivision. We are requesting permission to temporarily "block off" the very top North end of Terry Clayton Ave. Access would be granted to people living in homes that are located at the top end. From approx 1pm to approx 10pm (breaks in between for the little (and big people too) ones to nap.

I had difficulty attaching a flyer I printed for our neighbourhood. I'm copying and pasting the details.

Seven Meadows Canada Day Block Party

THIS IS A SOCIALLY DISTANCED AND RESPONSIBLE EVENT!!

When: Wednesday July 1, 2020

Time: YOUR CHOICE!!

Where: Your house! Your Driveway!!

Blue Willow Events will be located at the Very North end of Terry Clayton Ave to provide music. Requests welcome.

Weather permitting; from approx 1pm to approx 10pm.

*****SORRY, no music with profanity will be played.*****

Celebrate your way!! Throw the garage doors up, bring out your BBQ, chairs, games for the kids etc. Do your gardening, wash your car, suntan or dance like nobody's watching. It's up to you!! Everyone can celebrate in their own driveways or mix and mingle at their own discretion and risk.

Questions? Concerns? Send either Gord or myself a private message or post in our facebook group!!

We are having problems with people speeding and spinning their wheels and not paying attention to the little people that are playing. We would like to deter that somewhat with the barriers.

Thank you for your consideration. Should you have questions, please feel free to contact my husband Gord Kirby (owner of Blue Willow Events DJ & Event Planning) at 705 341 1394.

Kind Regards,
Gord Kirby and Cheryl Beckett

Thank you for everything you have done for our communities in Brock. Stay safe and stay #DurhamStrong
