- 1262 Cannington Lions Club – Annual Scrap Metal Drive, October 3, 2020

**Resolution**

That communication no. 1262 be received; and further that Council have no objection to the request as contained in communication no. 1262.

**d) Reports of Committees**

- 1) 7<sup>th</sup> Committee of the Whole Meeting – September 21, 2020

**Resolution**

That the minutes of 7<sup>th</sup> Committee of the Whole meeting, as held on September 21, 2020, be approved.

- 2) 7<sup>th</sup> Committee of the Whole In Camera Meeting – September 21, 2020

**Resolution**

That the minutes of 7<sup>th</sup> Committee of the Whole In Camera meeting, as held on September 21, 2020, be approved.

**e) Motions**

- 1) Bridge No. 28 Rehabilitation (Concession Rd 6)

**Resolution**

That the Mayor and Clerk be, and they are hereby authorized to enter into an agreement with Carlington Construction Inc. regarding Bridge No. 28 Rehabilitation (Concession Rd 6)

- 2) Release of Agreement - Casquenette

**Resolution**

That the Mayor and Clerk be, and they are hereby authorized to sign a release of agreement

- 3) Farm 911 Project

**Resolution**

That the Mayor and Clerk be, and they are hereby authorized to enter into an agreement for the 911 Farm Project.

**7. Items Extracted from Consent Agenda**

**8. Notices of Motions**

- 1) Notice of Motion

Moved by Walter Schummer, Seconded by Mike Jubb, Whereas it is understood that The Council of the Township of Brock works best when all members of Council have the same information at the same time and it is also understood that the residents of Brock Township deserve the best information from their elected officials in a timely manner.

Furthermore it is understood that certain members of Council may come into material information affecting the Township and its residents before such information may otherwise become available to other members of Council or the general public especially in cases where members of Council benefit from being on other elected or appointed bodies including, but not limited to, Regional Council.

Therefore, be it resolved that members of Council coming into information of material significance to the Township and its residents will share such information in a timely manner as to not unfairly leave other members of Council in inequitable positions and that such information shall be shared at the next available meeting of Council or Committee of the Whole and where no such meeting is scheduled to take place within 10 days that the member(s) of Council in possession of material information shall forward the information to members of Council via email at their earliest possible convenience except in circumstances where dissemination of such information would be in contravention of the The Municipal Act.

**9. By-laws**

- 1) By-Law Number 2973-2020 – Being a by-law under the provisions of Section 34 of the Planning Act, R.S.O., 1990, as amended, to amend zoning by-law number 287-78-PL, as otherwise amended, of the Corporation of the Township of Brock, with respect to certain land located within Pt Lot 22 and 23, Concession Road 6 (Brock), in the Township of Brock, Region of Durham.

**Resolution**

That By-law Number 2973-2020, to amend zoning by-law number 287-78-PL, as otherwise amended, of the Corporation of the Township of Brock, with respect to certain land located within Pt Lot 22 and 23, Concession 6 (Brock), in the Township of Brock, Region of Durham be read a first, second and third time and passed in open Council and that the Mayor and Clerk be authorized to sign the by-law on behalf of the municipality and to have same engrossed in the by-law book.

- 2) By-Law Number 2977-2020 – Being a by-law to appoint a Municipal Law Enforcement Officer for the Corporation of the Township of Brock pursuant to section 15 of the Police Services Act, R.S.O. 1990, as amended.

**Resolution**

That By-law Number 2977-2020, to appoint a Municipal Law Enforcement Officer for the Corporation of the Township of Brock pursuant to section 15 of the Police Services Act, R.S.O. 1990, as amended, be read a first, second and third time and passed in open Council and that the Mayor and Clerk be authorized to sign the by-law on behalf of the municipality and to have same engrossed in the by-law book.

- 3) By-Law Number 2978-2020 – Being a by-law to amend by-law number 957-88-PP, being a by-law to regulate vehicular traffic on highways, fire routes, private and municipal property, and to prohibit the injuring or fouling of highways and bridges, and the obstruction of ditches and culverts.

**Resolution**

That By-law Number 2978-2020, to amend by-law number 957-88-PP, being a by-law to regulate vehicular traffic on highways, fire routes, private and municipal property, and to prohibit the injuring or fouling of highways and bridges, and the obstruction of ditches and culverts, be read a first, second and third time and passed in open Council and that the Mayor and Clerk be authorized to sign the by-law on behalf of the municipality and to have same engrossed in the by-law book.

**10. Other Business**

- 1) COVID-19 Update

**11. Public Questions and Clarification - suspended until further notice****12. Closed Session****13. Confirmation By-law**

By-law Number 2976-2020 – to confirm the proceedings of the Council of the Corporation of the Township of Brock at its meetings held on September 28, 2020.

**Resolution**

That By-law Number 2976-2020, being a by-law to confirm the proceedings of the Council of the Corporation of the Township of Brock at its meeting held on September 28, 2020, be read a first, second and third time and passed in open

Council and that the Mayor and Clerk were authorized to sign the by-law on behalf of the municipality and to have same engrossed in the by-law book.

**14. Adjournment**

# Deputations

Madam Mayor, Councillors and all others in attendance. Hello, my name is Jill Proctor. I and my husband have lived in Beaverton for just over 9 years. Personally, I have spent over 20 years working in social services and facilitating community development initiatives. In last 20 years of my career, I worked for PwC and IBM as a change management and HR consultant serving the federal government and Fortune 500 companies.

I'm making this deposition on behalf of the 1800+ Beaverton residents who are asking to be heard. We support our local councillors in asking to have this housing project put on hold so that proper due diligence can inform a program that is designed for success. We are committed to helping the homeless, not setting them up to fail with dead end solutions.

On the CTV evening news on Sept 21st, the Mayor of Oshawa again raised an alarm that his city of 400,000 is desperate for resources for the homeless – showing a deteriorating homeless residence with discarded needles and broken glass everywhere. A place where staff are afraid to go to work. Earlier in August, he allocated \$100K to provide security services in his downtown.

The bottom line — Oshawa, with robust health, education, policing and social services and investments - cannot provide sufficient support the homeless!

Aware of this reality, our regional reps have voted to move 50 homeless individuals to Beaverton - a little town with no health, education, police, employment or social services. This project just makes no sense - and it will create an unfortunate dead end for any homeless who chose to move here. Meanwhile, our local homeless will still not be supported as there is no plan for priority access based on location.

Daily we see Beaverton deteriorate, unable to provide support to individuals at the methadone clinic, or in temporary housing at the motel. Gillespie Gardens also needs more help than we can offer. Many of us have personally experienced vandalism, and businesses have closed because staff did not feel safe. Yes, we need more services, but 50 more needy residents in this community is just a recipe for disaster – bringing no hope for them or our local homeless.

No due diligence took place prior to this decision or you would have known that nowhere in Canada is there a homeless facility of this size in a community of less than 3000. Sure - we have a nice serviced lot ready to build - but that's just not enough. More evaluation & planning is needed to support successful transitions for unfortunate homeless individuals.

You have received a petition from over 65% of Beaverton residents. More than 1800 people in a town of only 1300 households! That's pretty close to 100% of those eligible to even sign a petition! Our requests have been met with your silence, calls go unanswered, and a majority vote against this program by our councillors has been ignored. This is not acceptable from our elected officials.

Madam Mayor and Regional Councillor, Beaverton residents demand that you uphold your oath of office to represent the Beaverton community. As leaders of Brock Council, it is your job, your obligation to support of your councillors. This is a democratic process and you represent us, not your personal agenda.

Our ask of you is simple:

Request that Durham regional council pause this housing project and fund a rapid evaluation of gaps, issues and risks of this project - conducted by a reputable third party. This action alone will create a foundation for success for the homeless and alignment to meet our community needs - now and for the future.

With our strong community reaction, we know that Durham hired a communications firm last week to address our concerns. They can expedite a feasibility/risk review just as quickly.

We've waited long enough. We'd like to hear your response to our request after Paul and I complete our depositions or during today's discussion. Thank you.

## **Brock Council Deputation      Monday September 22, 2020**

Good Evening: My name is Paul Nelson, from 4 McLennan Beach Road in Beaverton, a 17 year home owner with wife Janis in Brock Township.

I'm here as one of more than 1800 Beaverton Supportive Housing petition signers; to confirm our group's support for Councillor Jubb's previous motion to pause the Regional process for a more detailed review of the Region's initial recommendation related to the Beaverton supportive housing site.

I offer the following comments for Council's consideration and welcome questions.

1. The Region of Durham is simply DEAD WRONG on this issue and the residents of Beaverton are demanding a pause for further review prior to any final decision being implemented. Covid or no Covid; mandated due process MUST prevail.
2. We are NOT against supportive housing, in fact we are volunteering to help Durham make the BEST decision for all of Durham and its needy residents, now and into the future
3. The majority of Brock Council voted to support Councillor Jubb's motion to oppose the present proposal. That motion should be carried forward and represented by Brock's Mayor and Regional Councillor as Brock's formal position. There is NOT a personal preference option for Brock's Mayor and Regional Councillor; their responsibility is to hold to the formal decision of Brock Council. We demand they abide by Council's majority direction.
4. The municipalities of Brock and Durham Region are "mandated" by the Province of Ontario under the Municipal Act to act **"to ensure accountability and transparency as a priority in maintaining public trust, and that the day-to-day operations of the municipality are transparent"** This was obviously NOT the process Brock's regional reps followed, and that point alone is grounds to "pause" the whole process, and in fact to carry out a Municipal Law Review of the entire process.

5. Given point 4 and its non-transparent nature, we are formally asking if there are any other real or perceived internal conflicts of interest at Brock Township, or between Brock and the Region, that would hamper a clean, transparent process for this matter, with no shortcuts or prior/ongoing biases ? **Please consider this question carefully; other Ontario Councillors and municipal staff have been removed from their positions for lesser conflicts.**

6. Durham's own Housing Task Force recommended other sites in central/south Durham; how then was Beaverton chosen as the most appropriate site? The only acceptable metric of the Beaverton site is its public housing zoning and nearby municipal services. It totally fails in all other metrics for success.

7.. ALL Durham residents and needy homeless people are being short changed by the present "dictatorial" process, not just residents of Beaverton. In fact we have documentation in hand confirming that housing groups in other areas of Durham have ASKED for this very type of modular unit housing; so why the hasty rush to Beaverton?

9. A 50 bed facility for very challenging Durham residents will simply overpower any small town of Beaverton's size and demographic character. Put the required facility, or facilities, where they properly fit into the broader Durham social services matrix; where it is more needed, and can be properly supported.

10. Mayor Carter of Oshawa and others have confirmed a huge homeless/addiction/mental health problem in south Durham. Thus Regional Council's recommendation for the Beaverton site sure makes Durham's decision look like a NIMBY move, forced upon Beaverton, on behalf of south/central Durham elected reps and senior Durham staff. **Please proves us wrong with REAL facts, not with silence, hired professional spin masters, or smoke and mirrors.**

11. Right now, FCM and the federal government are developing funding plans for municipalities to create "rapid housing" projects, including funds for municipal purchase of serviced land and/or existing buildings for the creation or conversion of existing building stock; **specifically targeted for challenged homeless people.** This funding could eliminate Durham's financial challenges for the land and construction portions of special social

housing, and facilitate quick, appropriate housing right where it is required.  
**Don't waste 14 million dollars in Beaverton !**

12. In closing, the people of Beaverton feel very under represented; especially at the Regional level. Brock's own Regional reps did not pre-notify Brock Council, ask us, or represent us, and they are still all but mute on the subject with little to no feedback. That's not the process or representation we all deserve.

13. I know Regional Councillor Smith well, a fine person, and I have every respect for his personal character, hard work and integrity; but he and Brock's Mayor have landed way out of bounds thus far on this issue, on behalf of Beaverton and Brock Township. We look forward to their reconsideration, along with Councillor Campbell.

We appeal once again to each and every one of you to be the best elected representatives you can be, by helping us find a way to "pause" this process and develop a much better solution for Beaverton, all of Durham, and Durham's residents in need.

**It is never too late to correct a mistake and do the right thing!!**

Thank you, and I welcome any questions or helpful comments.

September 9, 2020

Township of Brock

Date:	14/09/2020
Refer to:	Council
Meeting Date:	September 28, 2020
Action:	null
Notes:	Petition
Copies to:	

My name is Peter Bornemisa and I represent a large group of citizens from Beaverton, in Brock Township.

On August 20<sup>th</sup>, the citizens of Beaverton and many of our town councillors learned of Durham Region's plan to develop a modular supportive housing project of ~50 units and the construction of a ~5,000 square foot ancillary structure on Regional land located at 133 Main St., Beaverton.

There has been a complete lack of consultation with the residents of the Township. 133 Main Street is adjacent to Lakeview Manor (a Regional Long Term Care Facility) and Gillespie Gardens (a Regional Non Profit Housing Complex). In the short time since we were made aware of this resolution, we have gathered more than 1700 signatures (~62% of the population and ~75% of adults) on a petition which seeks to oppose the development at 133 Main Street until the Region of Durham seeks formal public consultation, input and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing.

I have attached a copy of our petition for your review and hope that you agree that the Region, Township, and Provincial Governments should be held accountable to provide transparency and public consultation before any further consideration or approval of such project is given.

Based on the limited information that has been provided to our community to date, we believe that this location does not provide residents of this potential project with the means to achieve the main goals of supportive housing: to support independence, personal growth and dignity. Our community already lacks many of the services that are required both for this project and the current residents of the Township, including Hospitals, Doctors, Transportation, Employment, Adult Education and Social Services.

As a group, we are presenting our petition to the Durham Region Health and Social Services Committee, the Committee responsible for bringing this to the Regional Council, The Region of Durham, The Township of Brock and the Province of Ontario. The issue is being covered extensively in social media and traditional media.

We ask for your assistance in ensuring that the Region engages the citizens of the town of Beaverton and that the Provincial government does not fund a project that is on the path of failure.

Sincerely,

Peter Bornemisa  
On behalf of Citizens of Brock

### **Petition to Further Study Supportive Housing Project in Beaverton**

The Region of Durham has approved an expedited Supportive Housing Project for unsheltered people with addictions and/or mental health concerns to be built at 133 Main Street Beaverton on the lands adjacent to Lakeview Manor and Gillespie Gardens. The project proposes 50 Modular Units plus a 5000 square foot common building.

At this time, the project should be put on hold until the following concerns are addressed:

- Lack of public consultation prior to Regional approval
- Lack of research for the proposed location (Beaverton was not on the list of sites recommended for this type of facility by Durham Region's Housing Task Force)
- Lack of studies demonstrating the need in this area
- Lack of tender for the design, delivery and installation of the 50 housing units
- Lack of priority for North Durham residents
- Lack of access to necessary community services (as outlined in the *Ontario Supportive Housing Best Practices Guide*, March 2017 <http://www.mah.gov.on.ca/AssetFactory.aspx?did=15988>) such as:
  - Addiction/treatment facilities
  - Emergency Services
  - Medical Services
  - Transportation
  - Shopping
  - Recreation
  - Employment
  - Social Networks

Please sign this petition to show your support for the following motion passed at Brock Council and to request that our Regional representation, Mayor Debbie Bath-Hadden and Regional Councillor Ted Smith, take our concerns, as outlined above, to the Region of Durham.

***"That the Township of Brock oppose the location at 133 Main Street for Modular housing until the Region of Durham seeks formal public consultation, input and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing. Further that this resolution be sent to the Region of Durham, Municipal Affairs and Housing and MPP Laurie Scott."***

**Motion supported by:**

Ward 1 Councillor Mike Jubb  
Ward 2 Councillor Claire Doble  
Ward 3 Councillor Walter Schummer  
Ward 4 Councillor Cria Pettingill

**Motion opposed by:**

Major Debbie Bath-Hadden  
Regional Councillor Ted Smith  
Ward 5 Councillor Lynn Campbell

**Petition to further study Supportive Housing Project in Beaverton**

Please sign this petition to show your support for the following motion passed at Brock Council and to request that our Regional representation, Mayor Debbie Bath-Hadden and Regional Councillor Ted Smith, take our concerns, as outlined above, to the Region of Durham.

*"That the Township of Brock oppose the location at 133 Main Street for Modular housing until the Region of Durham seeks formal public consultation, input and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing. Further that this resolution be sent to the Region of Durham, Municipal Affairs and Housing and MPP Laurie Scott."*

Petition to further study Supportive Housing Project in Beaverton

Please sign this petition to show your support for the following motion passed at Brock Council and to request that our Regional representation, Mayor Debbie Bath-Hadden and Regional Councillor Ted Smith, take our concerns, as outlined above, to the Region of Durham.

*"That the Township of Brock oppose the location at 133 Main Street for Modular housing until the Region of Durham seeks formal public consultation, input and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing. Further that this resolution be sent to the Region of Durham, Municipal Affairs and Housing and MPP Laurie Scott."*

### Petition to further study Supportive Housing Project in Beaverton

Please sign this petition to show your support for the following motion passed at Brock Council and to request that our Regional representation, Mayor Debbie Bath-Hadden and Regional Councillor Ted Smith, take our concerns, as outlined above, to the Region of Durham.

"That the Township of Brock oppose the location at 133 Main Street for Modular housing until the Region of Durham seeks formal public consultation, input and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing. Further that this resolution be sent to the Region of Durham, Municipal Affairs and Housing and MPP Laurie Scott."

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.

## Petition to further study Supportive Housing Project in Beaverton

Please sign this petition to show your support for the following motion passed at Brock Council and to request that our Regional representation, Mayor Debbie Bath-Hadden and Regional Councillor Ted Smith, take our concerns, as outlined above, to the Region of Durham.

*"That the Township of Brock oppose the location at 133 Main Street for Modular housing until the Region of Durham seeks formal public consultation, input and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing. Further that this resolution be sent to the Region of Durham, Municipal Affairs and Housing and MPP Laurie Scott."*

# **Petition to further study Supportive Housing Project in Beaverton**

Please sign this petition to show your support for the following motion passed at Brock Council and to request that our Regional representation, Mayor Debbie Bath-Hadden and Regional Councillor Ted Smith, take our concerns, as outlined above, to the Region of Durham.

*"That the Township of Brock oppose the location at 133 Main Street for Modular housing until the Region of Durham seeks formal public consultation, input and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing. Further that this resolution be sent to the Region of Durham, Municipal Affairs and Housing and MPP Laurie Scott."*

25/08/2020 14:21:10	I agree to Freda Egan		4285 Amelia Plantation Court Vero Beach Fl 32967		
25/08/2020 14:32:57	I agree to Sean Quinn	sdpquinn@gmail.com	B27150 Cedarhurst Road, Beaverton		I do not support this housing project proposed for Beaverton
25/08/2020 14:34:36	I agree to Libby Dalrymple		B27150 Cedarhurst Road, Beaverton		I also do not support this house project proposed for Beaverton
25/08/2020 14:38:26	I agree to Peter Bornemisa	pbornemisa@gmail.com	27 Lakeshore Road	4168265501	Strongly oppose unless Beaverton first has the social infrastructure in place which is required to support 50 additional residents in need and there is a compelling reason why this new housing is needed. I strongly oppose this being built in Beaverton area. It is not the community or the area that supports this type of housing. I do not agree with the mayor or councillors opinions
25/08/2020 14:48:57	I agree to Fran Wise	fwise@rogers.com	25890 Maple Beach Rd	4165644426	
25/08/2020 15:39:38	I agree to Jane Trollope	queenjne@rogers.com	439 Osborne Street	4166057784	More resources need to be added before any more building happens in our SMALL town!!
25/08/2020 15:40:34	I agree to Ann Ellins	annellins@gmail.com	B26880 Cedarhurst Beach	6474490351	
25/08/2020 15:40:38	I agree to Darrin Ward	therealtd@outlook.com	439 Osborne Street	6472292233	
25/08/2020 15:42:24	I agree to JOHN MORRISON	jmorrisson20@gmail.com	25890 Maple Beach Road	4162303353	This decision was made without proper research or consultation with the neighbours despite the fact that inadequate studies were completed and the site does not meet the basic criteria for a housing project.
25/08/2020 15:57:08	I agree to Elizabeth Bullock		25984 Maple Beach Rd. Beaverton	7054269812	We need to advocate for the people who will be occupying this project. They will be the ones who lose if a strong plan and support are not in place from the start.
25/08/2020 16:20:44	I agree to David Ellins	david@davidellins.com	B26880 Cedarhurst Beach	4162240351	
25/08/2020 20:41:43	I agree to Darrin Ward	therealtd@outlook.com	439 Osborne Street	6472292233	
25/08/2020 21:05:50	I agree to Kerrie Thaxter	kerrie5185@hotmail.com	B1596 Durham Rd 15 Beaverton	7054265185	This is ridiculous..... we have no jobs now in Brock Township for our residents!!!

						Beaverton is clearly not the right location for this type of housing. There is no grocery store in town and the nearest one is pricy. There is no jobs, transit or anything productive in the ar I'm all for supporting house but this location is not the right one to help the people that will be living in it. Have a look at the problems that are happening in Cannington with them having a few supportive houses and the resident where unaware at the time. You are going to have more residents complaining since this is suppose to be a 50 unit facility. Please locate else where!!!!

03/09/2020 11:24:31	I agree to Vanessa Fung		23 Pollock Ave		
03/09/2020 13:17:16	I agree to Donna Corner	donnzzy@hotmail.com	Box 189 Woodville Ontario	70534401665	I have some concerns regarding the new supportive housing that is slated to be built in Beaverton. My first concern is safety, the neighbourhood in which it is proposed to be built is pre-war. I realize Durham Region owes that property so it makes it easy to say let's put it there, but is that putting the needs of the individuals first, I don't think so. I feel this decision is being made without considering the needs of the community. If there was to be a medical centre attached or incorporated with the housing facility to assist with those suffering from various mental health issues it would actually be an asset to the community.
03/09/2020 13:26:49	I agree to Luminita Gates		238 Morrison Ave		
03/09/2020 13:43:46	I agree to Oppose		224 king street beaverton		
03/09/2020 13:56:06	I agree to Jim Simpson		28 Alsops Beach, Beaverton		If the Brock council members from Sunderland are in favour of this facility then they should put it there.
03/09/2020 14:15:44	I agree to Kelly Bell		357 Simcoe Street Beaverton	2897711777	There are no community supports for people that would be living there. This location is setting the future residents up for failure and isolation due to all of reasons that had been listed at the time of the decision.
03/09/2020 14:20:57	I agree to Freda Massey	freda.massey@yahoo.ca	407 Mill Street	7054548207	As a long standing member of a community that includes a number of seniors I am concerned and quite frankly fearful of the potential increase in crime related to the nature of this housing.

04/09/2020 16:34:17	I agree to Penny nielsentu	turtlecrikfarmspenelopear	30001 Simcoe Street	7054261302	Businesses on the main drag were destroyed with the methadone clinic put in and attracted not such a good group of community people. This town had great potential to grow and succeed. My Husband and I built a house on the Lake 3 years ago and have recently moved to Beaverton full time. We love it here!! We had previously lived in Oshawa for our entire lives. Ray is 78 and I am 65. We watched as the Oshawa downtown core changed dramatically over the years. We know all too well how Your sweet little town will change forever. Hopefully more investigations will happen before this mistake goes forward. Sincerely, Liz and Ray Abbott

**(d) Reports of Committees**

None

**7. Items Extracted from Consent Agenda**

**(b) Reports**

837 Laura Barta – Report Number: 2020-CO-33, Financial Update  
Report, June 2020

There was discussion with respect to the supplemental tax bills to be  
mailed following the issuance of the final tax bills, the decrease in interest  
and penalties this year, and the decrease in sidewalk capital  
expenditures.

Resolution Number 30-9

MOVED by W.E. Ted Smith and SECONDED by Cria Pettingill that  
Report Number: 2020-CO-33, Financial Update Report, June 2020, be  
received for information.

MOTION CARRIED

900 Laura Barta – Report Number: 2020-CO-34, COVID-19 – Update  
on Financial Impacts and Actions

Resolution Number 31-9

MOVED by W.E. Ted Smith and SECONDED by Cria Pettingill that  
Report Number: 2020-CO-34, COVID-19 – Update on financial impacts  
and actions be received for information;

That tenants be advised that no rent relief is permitted based on the terms of the leases of the Municipal Act restrictions.

There was discussion with respect to the financial support extended during the pandemic by the Township thus far, the necessity to request proof of financial hardship from residents during the application process, and the option to reassess the proposed COVID-19 Property Tax Penalty and Interest Relief Program in October 2020.

Mayor Bath-Hadden requested a recorded vote.

Resolution Number 31-9

MOVED by W.E. Ted Smith and SECONDED by Cria Pettingill that Report Number: 2020-CO-34, COVID-19 – Update on financial impacts and actions be received for information;

That tenants be advised that no rent relief is permitted based on the terms of the leases of the Municipal Act restrictions.

MOTION LOST

Resolution Number 32-9

MOVED by Lynn Campbell and SECONDED by Claire Doble that Report Number: 2020-CO-34, COVID-19 – Update on financial impacts and actions be received for information;

That tenants be advised that no rent relief is permitted based on the terms of the leases of the Municipal Act restrictions; and

That staff be directed to implement a residential COVID-19 Property Tax Penalty and Interest Relief Program in Brock by preparing an application including the terms and conditions to be used.

The Treasurer advised that the proposed application would be included on a September agenda for Council's review with the program commencing in November 2020. Concerns were expressed for the impact to the budget and the requirement for the Township to build reserves for asset management plan.

Councillor Campbell requested a recorded vote.

Resolution Number 32-9

MOVED by Lynn Campbell and SECONDED by Claire Doble that Report Number: 2020-CO-34, COVID-19 – Update on financial impacts and actions be received for information;

That tenants be advised that no rent relief is permitted based on the terms of the leases of the Municipal Act restrictions; and

That staff be directed to implement a residential COVID-19 Property Tax Penalty and Interest Relief Program in Brock by preparing an application including the terms and conditions to be used.

MOTION CARRIED

901 Stacey Jibb & Becky Jamieson – Report Number: 2020-CO-44,  
 Overview of Economic Development and Tourism Activities

Ms. Stacey Jibb and Ms. Kristyn Chambers, of the Region of Durham's Economic Development Department, were in attendance to provide responses to Council and advised that the Region would provide a liaison for the Economic Development Advisory Committee (BEDAC) and for the Tourism Advisory Committee (BTAC).

The Clerk advised that members for both committees would be advertised in August and recommendations would be forthcoming to Council in September. She noted that the guidelines for Committees of Council would be updated and committees could meet electronically.

There was discussion with respect to data tracking/measurement of success or failure of events, the importance of having a representative from the historical society on the committees and collaborating on projects with Scugog and Uxbridge.

Resolution Number 33-9

MOVED by W.E. Ted Smith and SECONDED by Claire Doble that Report Number: 2020-CO-44, Overview of Economic Development and Tourism Activities be received for information;

That Council approve the establishment of an Economic Development Advisory Committee to provide advice to Council on economic development initiatives in the Township of Brock;

That Council approve the establishment of a Tourism Advisory Committee to provide advice to Council on tourism initiatives in the Township of Brock;

That Council approve Township of Brock Community Tourism Plan and the establishment of a tourism initiatives in the Township of Brock;

That Council approve the Terms of Reference for the Economic Development Advisory Committee and the Tourism Economic Development Advisory Committee as written;

That Council approve staff to proceed with postings seeking applications for an Economic Development Advisory Committee and a Tourism Advisory Committee; and

That a copy of Report: 2020-CO-44 be circulated to the Brock Board of Trade.

MOTION CARRIED

902 Paul Lagrandeur – Report Number: 2020-CO-40, Kaitlin Subdivision – Consideration of Stop Signs at the Intersection of Rynard Street and the East / West Subdivision Streets

There was discussion with respect to rotating the Township's 4 radar speed signs throughout the Township and reviewing the effect of the stop signs in one year. It was noted that the by-law must be enacted prior to the instalment of the stop signs.

Resolution Number 34-9

MOVED by Lynn Campbell and SECONDED by W.E. Ted Smith that 2 stop signs be installed on Rynard Street at the intersections of Art Welsh Lane and Fairgrounds Lane in Kaitlin subdivision and that a portable radar sign be erected.

MOTION CARRIED

Resolution Number 35-9

MOVED by Michael Jubb and SECONDED by Lynn Campbell that Council break for a recess at 11:05 a.m.

MOTION CARRIED

Mayor Bath-Hadden reconvened the meeting at 11:21 a.m. with the same members of Council and staff in attendance.

920 Becky Jamieson – Report Number: 2020-CO-45, Proposed Brock COVID-19 Community Grant for Not-For-Profits

Resolution Number 36–9

MOVED by Walter Schummer and SECONDED by Lynn Campbell that Report Number: 2020-CO-45, Proposed Brock COVID-19 Community Grant for Not-For-Profits be received for information;

That Council authorize staff to proceed with the Brock COVID-19 Community Grant for Not-For-Profits as outlined in the report with and any proposed amendments; and,

That the \$25,000 budgeted for the Community Improvement Plan for Rebates and Incentives and \$5,000 budgeted for Recreation and Leisure Events and other, be used to fund the program in addition to unused Brock Economic Relief Benefit funds.

Discussion ensued with respect to the municipal funds to support this initiative, the types of organizations to utilize this grant, and that there is no minimum amount for funding as non profit organizations have varying needs.

There was further discussion with respect to removing the eligibility criteria that states that the funding is not intended for organizations not in good financial standing with the Township. It was noted that the promotion of this grant would occur through the Township website, social media, the Brock Voice, and word of mouth.

Resolution Number 36–9

MOVED by Walter Schummer and SECONDED by Lynn Campbell that Report Number: 2020-CO-45, Proposed Brock COVID-19 Community Grant for Not-For-Profits be received for information;

That Council authorize staff to proceed with the Brock COVID-19 Community Grant for Not-For-Profits as outlined in the report with and any proposed amendments; and,

That the \$25,000 budgeted for the Community Improvement Plan for Rebates and Incentives and \$5,000 budgeted for Recreation and Leisure Events and other, be used to fund the program in addition to unused Brock Economic Relief Benefit funds.

MOTION CARRIED

## (c) Correspondence

## 817 Barb Moore – Community Safety

There was discussion with respect to the sidewalk master plan report and enquiring with the Region as to the speed limit on Cameron Street west.

Resolution Number 37-9

MOVED by Walter Schummer and SECONDED by W.E. Ted Smith that Communication number 817 be received; and further that it referred to staff for a report.

MOTION CARRIED

## 860 Raymond Martin – Application for Refreshment Vehicle Licence

Regional Councillor Smith enquired whether the Ministry of Transportation's approval would be required and was advised in the affirmative.

Resolution Number 38-9

MOVED by W.E. Ted Smith and SECONDED by Walter Schummer that Communication number 860 be received; and that Council approve the request contained in communication number 860 provided all Township requirements and otherwise, are met.

MOTION CARRIED887 Guy Giorno, Integrity Commissioner – Report on Complaint –  
Campbell v. Schummer, 2020 ONMIC 8Resolution Number 39-9

MOVED by W.E. Ted Smith and SECONDED by Walter Schummer that Communication number 887 be received for information and filed.

Council enquired as to why they were not notified of this complaint prior to receiving the final Integrity Commissioner's report to which the Clerk provided an overview of the complaint process. The Clerk advised that, once a complaint is filed with herself, it remains confidential until the completion of the investigation unless otherwise advised by the Integrity Commissioner. She advised that there is a separate line item in the budget for this expense.

There was discussion with respect to revising the wording of the Council Code of Conduct to ensure proper measures are taken prior to involving the Integrity Commissioner, and the benefit of having a transparent complaint system in place for public use.

Council requested that the Clerk and Acting CAO meet with the Integrity Commissioner to discuss measures that Council could put in place to prevent a council member from filing a complaint against another council member.

Resolution Number 40-9

MOVED by Walter Schummer and SECONDED by Cria Pettingill that Council break for a recess at 12:31 p.m.

MOTION CARRIED

Mayor Bath-Hadden reconvened the meeting at 1:35 p.m. with the same members of Council and staff in attendance.

Discussion continued with respect to the differing nature of each integrity complaint and the confidentiality assigned to each.

Resolution Number 39-9

MOVED by Walter Schummer and SECONDED by Cria Pettingill that Communication number 887 be received for information and filed.

MOTION CARRIED

904 Ken Huntington – Traffic on Mara Road, Beaverton

Regional Councillor Smith advised that 15 years ago, there was discussion with respect to the widening of Highway 12 through the Beaverton area.

Resolution Number 41-9

MOVED by W.E. Ted Smith and SECONDED by Claire Doble that Communication number 904 be received; that it be referred to staff for a report, and further that staff inquire with Ministry of Transportation Ontario on the status of widening Highway 12 in the Beaverton area.

MOTION CARRIED

922 Justin Kouba and Stacy Sneath – Request to purchase public access located between 116 and 126 Morrison Avenue, Beaverton

There was discussion with respect to a staff report addressing all municipal access points.

The Clerk advised that any municipal land sale has a legislated public process to follow.

Resolution Number 42-9

MOVED by Michael Jubb and SECONDED by Claire Doble that Communication number 922 be received for information; and that it be referred to staff for a report.

MOTION CARRIED

923 The Regional Municipality of Durham – Application: ICON Program (Improving Connectivity for Ontario)

Resolution Number 43-9

MOVED by Walter Schummer and SECONDED by W.E. Ted Smith that Communication number 923 be received; and that Council provide a letter of support to the Regional Municipality of Durham with respect to the ICON application.

MOTION CARRIED

Mayor Bath-Hadden advised that Rural Wave has also requested a letter of support for their ICON application.

There was discussion with respect to a presentation by the Region of Durham to update Council on the broadband strategy and additional details of the ICON program.

Resolution Number 44-9

MOVED by W.E. Ted Smith and SECONDED by Cria Pettingill that Council provide a letter of support to Ruralwave with respect to the ICON application.

MOTION CARRIED

938 Judi Forbes – Request to lift the State of Emergency in Brock Township

Resolution Number 45-9

MOVED by Cria Pettingill and SECONDED by Claire Doble that Communication number 938 be received for information and filed.

MOTION CARRIED

**8. Notices of Motions**

(1) Notice of Motion – Electronic Participation

Resolution Number 46-9

MOVED by W.E. Ted Smith and SECONDED by Lynn Campbell

Whereas Bill 197 the COVID-19 Economic Recovery Act, which received Royal Assent on July 21, 2020, amended section 238 of the Municipal Act with respect to Electronic Participation in meetings;

Whereas the Municipal Act in Section 238 (3.1) states that the procedure by-law may provide that a member of council, of a local board or of a committee of either of them, can participate electronically in a meeting to the extent and in the manner set out in the by-law;

Whereas the Municipal Act in Section 238 (3.3) states that the applicable procedure by-law may provide that, a member of a council, of a local board or of a committee of either of them who is participating electronically in a meeting may be counted in determining whether or not a quorum of members is present at any point in time; and that a member of a council, of a local board or of a committee of either of them can participate electronically in a meeting that is open or closed to the public;

Whereas at the March 24, 2020 Council meeting, in light of the declared emergency for COVID-19, Council amended Procedural By-law No. 2890-2019 to allow for members of Council and staff to participate electronically in meetings during a declared emergency;

Whereas electronic participation for members of Council, staff and delegations have proven to be effective and it may be preferable to allow electronic participation to continue, to accommodate a variety of scenarios;

Now therefore be it resolved that Procedural By-law No. 2890-2019 be further amended to allow for members of Council and local boards to participate electronically in Advisory Committee, Standing Committees, Board and Council Meetings, in cases where it is not ideal to attend the meeting in-person, and that public delegations and staff attendance also be permitted via electronic participation;

That members of local boards, Committees and Council may use the following principles to guide their decision participate electronically:

1. Severe weather
2. Illness or threat of exposures to illness
3. Mobility challenges

That electronic participation only be permitted using a format as determined by the Chair and Clerk;

That Members must advise the Clerk in advance if they will be participating electronically in a meeting so that quorum may be ensured; and

That the Clerk be authorized to amend the Procedural By-law accordingly.

Regional Councillor Smith advised that the Region adopted a similar motion last week noting that this would provide members an option to contribute to meetings when they are unable to attend in person.

Councillors enquired whether electronic participation would count toward quorum and were advised in the affirmative, as per the amendment to the Municipal Act.

Councillors enquired with respect to the guiding principles listed to which staff advised that they are to be used as a guide for members to determine when appropriate to attend electronically.

Staff advised that procedures would be developed with respect to confidentiality when in camera, the deadline to notify the Clerk of electronic attendance, and the process to join the meeting.

Councillors enquired with respect to losing quorum should internet connections fail to which staff advised that the meeting would pause in an effort to regain quorum.

Councillors enquired how the public questions section of the agenda would function to which the Clerk advised that other area municipalities address public questions solely through delegations or written communication and staff would continue to investigate the matter.

Councillors enquired as to electronic attendance at meetings of Committees of Council to which staff advised in the affirmative. Staff advised that a call in conference number would be available.

#### Resolution Number 46-9

MOVED by W.E. Ted Smith and SECONDED by Lynn Campbell

Whereas Bill 197 the COVID-19 Economic Recovery Act, which received Royal Assent on July 21, 2020, amended section 238 of the Municipal Act with respect to Electronic Participation in meetings;

Whereas the Municipal Act in Section 238 (3.1) states that the procedure by-law may provide that a member of council, of a local board or of a committee of either of them, can participate electronically in a meeting to the extent and in the manner set out in the by-law;

Whereas the Municipal Act in Section 238 (3.3) states that the applicable procedure by-law may provide that, a member of a council, of a local board or of a committee of either of them who is participating electronically in a meeting may be counted in determining whether or not a quorum of members is present at any point in time; and that a member of a council, of a local board or of a committee of either of them can participate electronically in a meeting that is open or closed to the public;

Whereas at the March 24, 2020 Council meeting, in light of the declared emergency for COVID-19, Council amended Procedural By-law No. 2890-2019 to allow for members of Council and staff to participate electronically in meetings during a declared emergency;

Whereas electronic participation for members of Council, staff and delegations have proven to be effective and it may be preferable to allow electronic participation to continue, to accommodate a variety of scenarios;

Now therefore be it resolved that Procedural By-law No. 2890-2019 be further amended to allow for members of Council and local boards to participate electronically in Advisory Committee, Standing Committees, Board and Council Meetings, in cases where it is not ideal to attend the meeting in-person, and that public delegations and staff attendance also be permitted via electronic participation;

That the Clerk be authorized to amend the Procedural By-law accordingly.

MOTION CARRIED

(2) Notice of Motion – Committee of the Whole Sub-Committee Chairs

Resolution Number 47-9

MOVED by Walter Schummer and SECONDED by Claire Doble

Whereas the Township of Brock Procedural By-Law 2890-2019 was adopted and contains provisions to establish The Committee of The Whole meetings and part of the provisions establishes positions of sub-committee chairs and such positions are to be appointed at the inaugural meeting of Council and in the case of the current term The Mayor assumed the positions of chair of all sub-committees.

Be it resolved that Sec 4.5.1(c) of By-Law 2890-2019 be amended to read as follows:

Selected Members of Council may be appointed as a Sub Committee Chair or Vice-Chair by Resolution during the Inaugural Meeting of Council or when a vacancy in his or her absence occurs as determined by Council from time to time or upon resolution by Council at any time during the term of Council. The Sub-Committee Chair or in his or her absence, the Sub-Committee Vice-Chair, shall take the chair during that portion of the COW Meeting dealing with the matters pertaining to the Sub-Committee for which he or she has been appointed.

Furthermore, that in the current absence of individual Council members serving as sub-committee chairs that the sub-committee chair positions be appointed in a manner identical to the previous committee chairs prior to the adoption of the Committee of The Whole structure and further that The Mayor be appointed as Vice-Chair of the respective sub-committees for the duration of the current term of Council.

Councillor Schummer acknowledged the efficiency of the Committee of the Whole structure and noted the importance of the sub committee chairs gaining experience in that role.

There was discussion with respect to sub committee chairs remaining in their own seat during the meeting in Council chambers.

Resolution Number 47-9

MOVED by Walter Schummer and SECONDED by Claire Doble

Whereas the Township of Brock Procedural By-Law 2890-2019 was adopted and contains provisions to establish The Committee of The Whole meetings and part of the provisions establishes positions of sub-committee chairs and such positions are to be appointed at the inaugural meeting of Council and in the case of the current term The Mayor assumed the positions of chair of all sub-committees.

MOTION CARRIED

Resolution Number 52-9

MOVED by Michael Jubb and SECONDED by Cria Pettingill that Council break for a recess at 2:53 p.m.

MOTION CARRIED

Mayor Bath-Hadden reconvened the meeting at 3:03 p.m. with the same members of Council and staff in attendance.

## 10. Other Business

### (1) Outstanding Items List Update

The Acting CAO advised that the department heads would review the items on the list and a revised list would be provided to Council for the September meeting.

### (2) COVID-19 Update

Mayor Bath-Hadden advised that the Municipal Control Group (MCG) provides post-meeting briefing notes to Council and that the current MCG discussions are at a staff level. She advised that the Region of Durham has entered Phase 3 which will allow the opening of additional municipal resources once the COVID-19 restrictions are satisfied. She noted that the Region is not yet prepared to lift the state of emergency and the Township of Brock continues to act from the Emergency Preparedness Plan. She advised that it would be prudent to lift the state of emergency jointly with the Region of Durham and area municipalities and noted that the safety measures in place at the Beaverton Harbour would be reversed once the state of emergency has been lifted. She further advised that future agendas would have a section for COVID-19 updates/discussion.

The Acting CAO advised that area Mayors are supportive of keeping the emergency orders in place and lifting the state of emergency simultaneously.

The Fire Chief advised that the representative from Emergency Management Ontario supports lifting the orders together to reduce public confusion.

Councillor Jubb enquired whether the MCG could be nullified returning the decision making power to Council while remaining in the state of emergency to which Mayor Bath-Hadden advised that the MCG consists of senior staff who continue to coordinate/compile information with respect to reopening in Phase 3 and that the MCG could increase their reporting to Council.

The Acting CAO advised that the MCG is currently making operational decisions with larger issues, such as opening arenas, being brought to Council after the research has been compiled. He advised that the Municipal Control Group has certain responsibilities to fulfil during a state of emergency.

The Fire Chief advised that the initial activities of the MCG involved making decisions quickly to keep the public safe and that currently, during Phase 3, recommendations for decisions on issues that do not require immediate action could come to Council.

There was further discussion with respect to the MCG seeking input from the various Hall Boards regarding the support that they require from staff. The MCG is gathering information to enable operational decisions as well as providing

information and recommendations to Council regarding major decisions. It was noted that lifting the state of emergency simultaneously with the Region would be preferred and time would be provided for the municipalities to prepare good communication plans to ensure appropriate processes would be in place.

**11. Public Questions and Clarification**

Suspended until further notice.

**12. Closed Session**

Resolution Number 53-9

MOVED by Walter Schummer and SECONDED by Lynn Campbell that Council move in camera at 3:53 p.m. pursuant to Section 239(2)(f) of the Municipal Act, 2001, to discuss advice that is subject to solicitor-client privilege, including communications necessary for that purpose.

MOTION CARRIED

Resolution Number 54-9

MOVED BY Michael Jubb and SECONDED by W.E. Ted Smith that we rise from in camera at 4:12 p.m.

MOTION CARRIED

Council requested that the Acting CAO, at the next CAO's meeting, share Brock Council's opinion on the need to lift the state of emergency in a timely manner. It was noted that Special Council meetings would be scheduled to address issues requiring Council decisions.

There was discussion with respect to creating a schedule for the downtown cores maintenance and clean up.

**13. Confirmation By-law**

By-law Number 2966-2020 – to confirm the proceedings of the Council of the Corporation of the Township of Brock at its meeting held on August 10, 2020

Resolution Number 55-9

MOVED by Cria Pettingill and SECONDED by Lynn Campbell that By-law Number 2966-2020, to confirm the proceedings of the Council of the Corporation of the Township of Brock at its meeting held on August 10, 2020, was read three times and passed in open Council. The Mayor and Clerk were authorized to sign the by-law on behalf of the municipality and to have same engrossed in the by-law book.

MOTION CARRIED

**The Corporation of the Township of Brock**  
**Statutory Public Meeting Minutes - Draft**  
**Electronically**

**Session Four** **Monday, August 10, 2020**

The Fourth Statutory Public Meeting of the Township of Brock, in the Regional Municipality of Durham, was held on Monday, August 10, 2020, electronically.

Members present: Mayor: Debbie Bath-Hadden  
Regional Councillor: W.E. Ted Smith  
Councillors: Mike Jubb  
Claire Doble  
Walter Schummer  
Cria Pettingill  
Lynn Campbell

Staff Members present: Clerk Becky Jamieson  
(recording the minutes)  
Deputy Clerk Deena Hunt  
Planner Debbie Vandenakker

**1. Call to Order**

Mayor Bath-Hadden called the meeting to order at 6:30 p.m.

**2. Purpose of the Meeting and Overview of the Application(s)**

To hold a public meeting to consider an application for an amendment to Zoning By-law Number 287-78-PL.

- (1) Bob Clark, Clark Consulting Services – on behalf of Frank Mazzotta, Armour Heights Development  
Part Lot 11, Concession 5 (Beaverton), Township of Brock  
File Number: 04-2020-RA

The amendment, upon approval, serves to rezone the subject land from Rural Buffer (RB) to Highway Commercial Exceptions (C4-SX) and Environmental Protection (EP). The zoning will allow for a highway commercial retail development.

There will be no decision made on behalf of the Township of Brock in respect of the application at this meeting.

The Council of the Township of Brock will consider the merits of this application at a later date, taking into consideration all input received on the subject application.

Persons who wish to be notified of further meetings of Council dealing with this rezoning application must submit a written request. Persons who wish to be notified of the decision of this rezoning application, if approved by Council, must submit a written request. Notification forms are available from staff in attendance.

If a person or public body does not make oral submissions at the public meeting or make written submissions to the Township of Brock before the by-law is enacted (if approved), the person or public body is NOT entitled to appeal the decision of the Council of the Township of Brock to the Local Planning Appeal Tribunal.

Further, the person or public body may NOT be added as a party to the hearing of an appeal before the Local Planning Appeal Tribunal unless, in the opinion of the Board, there are reasonable grounds to do so.

In the event that the actual by-law is enacted by Council, it will be circulated in the formal manner under the provisions of the *Planning Act* and at that time, if

objections are received, a hearing will be held before the Local Planning Appeal Tribunal, at which time the objectors will be informed of a hearing date.

### **3. Representation from Applicants to provide additional information**

Mr. Bob Clark, Clark Consulting Services, advised that the subject lands of Beaverton Common Inc. are 9.1 hectares and a larger holding of 55.7 hectares would have future development. He advised that the subject lands are located within the Beaverton urban area and include the former rail line and sight triangles and fronts onto Highway 12/48. He advised that a major portion of the subject lands were originally deferred while the actual boundary of the natural heritage area was determined but the deferral designation has been removed.

Mr. Clark advised that the proposal for these currently vacant subject lands is for commercial development including 2 large retail spaces and a series of restaurants and an extensive parking area. In addition, access would be extended from Beaver Avenue. The lands would be temporarily serviced from a private septic system and groundwater until water and sewer has been extended to the area. He advised that the temporary septic area would be converted to employment lands once sewer and water has been extended to this area.

Mr. Clark advised that a significant portion of the larger holding would be environmentally protected in its natural state, Beaver Avenue is proposed to be extended to service mixed-use development, and the lands along the Beaver River would be naturalized and protected. He advised that the larger holding also consists of an employment area to the west, and the area along the extension of Beaver Avenue would be developed as residential. He advised that the area to the south would have a natural area created along the Beaver River and there is a proposal for long term care facilities to abut that natural area.

Mr. Clark advised that the Provincial Policy Statement, the Greenbelt Plan, the Growth Plan for the Greater Golden Horseshoe, the Durham Region Official Plan and the Brock Official Plan were reviewed to support this zoning application. He advised that the current zoning is Rural Buffer (RB) and the proposal is for Highway Commercial Special Exception (C4-x) permitting retail uses, Environmental Protection (EP), and Open Space (OS-x) for the temporary septic system. He advised that extensive studies were performed to ensure the viability of the site. He advised that following the zoning by-law amendment, there would be a detailed design, municipal consideration of site plan and ultimately the issuance of building permits.

Mayor Bath-Hadden opened the meeting to the public to receive input on the application.

### **4. Public Feedback and Questions**

Ms. Tanya Grela, Beaverton resident – enquired with respect to the location of the Environmental Protection land to which Mr. Clark advised that natural heritage features have been defined within the Environmental Protection (EP) area and would be protected as Natural Heritage. He noted that the EP land extends north to Main Street and a substantial portion of the 55 hectares would be protected. He advised that future development proposals would provide further EP details.

Ms. Grela enquired with respect to the septic system and expressed concern for the effect on the environmentally protected areas. Mr. Clark advised that the proposed septic system would not be a permanent arrangement but is required until the water/sewer services are extended.

### **5. Response to Questions from Staff/Applicant**

Mayor Bath-Hadden advised that site plan preparation would include septic system discussion between staff, Clark Consulting, and Armour Heights Development.

6.     **Adjournment**

Resolution Number 1-4

MOVED by W.E. Ted Smith and seconded by Michael Jubb that we do now adjourn at 7:00 p.m.

Presentations

- 1) Presentation by Ms. Stella Danos-Papaconstantinou, Commissioner of Social Services Durham, and Mr. Alan Robins, Acting Director of Housing Services, Durham Region – Durham Region’s Supportive Housing Project

Mayor Bath-Hadden welcomed the group and expressed appreciation for the presentation.

Ms. Elaine Baxter-Trahair, CAO of the Region of Durham, Mr. John Henry, Regional Chair, Ms. Stella Danos-Papaconstantinou, Commissioner of Social Services Durham, Mr. Alan Robins, Acting Director of Housing Services, and Ms. Jenni Demanuele, Director of Business Services, Works Department, attended the meeting.

Ms. Stella Danos-Papaconstantinou provided the following presentation:

**Beaverton Supportive Housing** – Support Housing Affordable Modular Units  
A goal of At Home in Durham, the Durham Housing Plan 2014-2024

Durham Region Council approved the At Home in Durham housing plan to improve affordability and access to housing in May 2014, and reaffirmed its commitment to this plan in November 2019. Regional Council is committed to the development of 1,000 new affordable housing units during the next 5 years and ending chronic homelessness by 2024.

Supportive Housing provides:

- wrap around support services on site 24/7 and increases opportunity to have a person's needs met because support is available and is accessible;
- opportunity to establish needed trust and rapport;
- may include mental health and addictions supports, medical care (virtual and/or on-site), financial assistance such as Ontario Works, ODSP and other financial benefits, rental and tenant support, and teaching of life skills and counselling; and,
- on-site meals.

The Region of Durham has identified a lack of supportive housing in North Durham resulting in individuals living in the north, who are without shelter and needed supports, being forced to move to Oshawa/Whitby in order to get needed services. Beaverton supportive housing would offer tenancy for seniors or adults that choose to live in the north in a supportive residence. The Beaverton location will include on-site supports for both tenants and the North Durham community.

The goal is to develop a hub-like model that could include accessible services made available to the entire community. These services would be determined by an Advisory Committee comprising of members from Cornerstone Community Association of Durham, Durham Mental Health services, Durham Non-Profit Housing, Brock Community Health Centre and other community agencies.

Modular Housing Units would be constructed consisting of prefabricated units that are built indoors in a factory and transported to the site where the building is assembled. This method would ensure cost effectiveness and expedite the construction timeline to meet the urgent need for supportive housing.

The Regionally owned land designated for this project is located at Nine Mile Road and Main Street, Beaverton. The Durham Region Works Department is the lead for the planning and construction process.

Beaverton's supportive housing planning will include community feedback, a community information session, a Project ambassador, and ongoing communication.

The Region highlighted the supported living success of the In/Out of the Crisis Program at Camp Samac in North Oshawa. During the Covid-19 pandemic, vulnerable residents without shelter were in need of support services and shelter in order to help flatten the curve of Covid-19. Camp Samac provided a supported shelter model where all needed support services were provided on site (or virtually). Some support services included: financial assistance through Ontario Works or ODSP, medical care and follow-up (both on site and virtual), mental health and addictions support, re-connect with family, and obtain permanent housing. To date over 70 individuals have received these supports resulting in quality of life improvements.

The Region advised that with community partnerships working together, supportive housing units in Beaverton would be instrumental in improving the quality of life for those who need help.

There was discussion with respect to the municipalities in Durham offering supportive housing and that the on-site services would be determined by a community needs assessment performed by an advisory committee comprised of Durham community organizations. It was noted that the individuals would agree to a support and tenancy agreement prior to moving in. Residency would be open to all residents of Durham who are on the By-Name List and choose to live in supportive housing. Discussion ensued with respect to the services to be offered 24 hours/7 days a week which would include nursing, personal support worker, social worker, and meals in a common dining area.

Councillors expressed concern for the lack of public consultation to date, the need for clear communication to the community, the vagueness of the details for the services to be provided, that Township staff comments have not been garnered, and the lack of rationale for the location.

The Region provided clarification with respect to Regional surplus lands, the need for supportive housing in north Durham as advised by the agencies serving the north, and the success of relocating persons in order to work towards recovery.

Councillors enquired as to the financial viability of the project to which the Region advised that it would fall to the Region. Councillors expressed concern for the lack of sustainable employment and housing in Beaverton to which the Region advised that the individuals living in supportive housing require extensive supportive services prior to being employment ready. The Region noted that many residents would be life-long residents of Beaverton.

Councillors enquired as to the housing wait list to which the Region advised that the Regional By-Name List is used and the criteria is based on acuity (indicators are assessed at intake points within community partners). Councillors enquired whether Brock residents would receive priority placement and were advised that coordinated supports are provided by community partners, and the support is based on an individuals' need not their location. There was discussion with respect to the consequences of unwanted behaviour of a tenant and that the units accommodate one individual.

#### Resolution Number 1-14

MOVED by W.E. Ted Smith and SECONDED by Michael Jubb that Council break for recess at 10:45 a.m.

#### MOTION CARRIED

Mayor Bath-Hadden reconvened the meeting at 10:55 a.m. with the same members of Council and staff in attendance.

Councillors enquired as to the available services to which the Region advised that they would be based on the needs of the residents on sight as determined by the advisory group (mental health, addiction management, physician/nurse practitioner, etc.) and would be offered to those living unsheltered in Durham Region.

There was discussion with respect to the appearance of the modular units and the management of the building. Councillors expressed concern for transportation to which the Region advised that the agencies provide support to move clients in and out of the units and the Durham Region On Demand service is available to residents. It was noted that there would be a small tuck shop within the development.

The Region advised of the need to move quickly to house the vulnerable sector and be prepared if there should be a second wave of covid-19.

Councillors enquired as to the timeline and were advised that the project is in the early stages, Regional Council has provided approval, a business case is being developed, a project ambassador is to be hired, public session(s) to gain input would be scheduled, and Township planning staff would be consulted on site approvals with anticipated occupancy in the fall of 2021.

#### Resolution Number 2-14

MOVED by Michael Jubb and SECONDED by Walter Schummer that the Township of Brock oppose the location at 133 Main Street for modular housing until the Region of Durham seeks formal public consultation, input, and feedback. Further, that formal studies and research be completed to support this location as being the optimal location for supportive housing. Further, this resolution be sent to the Region of Durham, Municipal Affairs and Housing and MPP Laurie Scott.

Councillor Jubb requested a recorded vote.

Resolution Number 3-14

MOVED by W.E. Ted Smith and SECONDED by Lynn Campbell that Resolution 2-14 be tabled to the first Council meeting following the already planned public consultation meeting in the fall of 2020.

Regional Councillor Smith requested a recorded vote.

MOTION CARRIED

The Fire Chief and Treasurer joined the meeting at 3:39 p.m.

Staff Reports

1176 Becky Jamieson – Report: 2020-CO-50, COVID-19 Assessment Centres

The Clerk provided an overview of the request by the North Durham Family Health Team noting that the locations are still to be determined but that they could not be located at the Beaverton Thorah Medical Centre.

Resolution Number 4-18

MOVED by Michael Jubb and SECONDED by Claire Doble That Report: 2020-CO-50, COVID-19 Assessment Centres be received for information; and that Council authorize the free use of space for portable COVID-19 assessment centres in Brock; and, that Council authorize staff to work with the North Durham Family Health Team on the establishment of the assessment centres.

MOTION CARRIED

1183 Craig Belfry – Report: 2020-CO-48, Stage Three Re-Opening of the Township of Brock Arenas

Resolution Number 5-18

MOVED by Claire Doble and SECONDED by Michael Jubb That Report: 2020-CO-48, Stage Three Re-Opening of the Township of Brock Arenas be received for information; and,

That all three arenas in the Township of Brock be opened with reduced operating hours with the existing staff complement; and,

That the Township of Brock run public skating, Moms & Tots, Shinny, and Stick 'n Puck

Mayor Bath-Hadden requested that a future staff report include the risk of hosting public programs during the pandemic and associated costs to which the CAO advised that staff would consult with user groups and provide Council with further details with respect to arena staffing, evolving protocols, and local user groups commitments at a future meeting.

Councillor Schummer requested an amendment to the motion that only two arenas operate per day to which councillors agreed.

Councillors enquired as to cleaning protocol, access at the arenas, pre-entry screening, staffing requirements, and the number of people permitted in the arena and changerooms.

Staff advised that cleaning requires 30 minutes, ice maintenance requires 10 minutes, and time is required between user groups to allow the chemical treatment to dry. Staff advised that it is standard procedure in area municipalities to lock the building once the group has entered, each person must be screened prior to entry, arena staff must monitor social distancing, and the maximum headcount allowed in the lobby, stands and ice is 50 people with 22 of those being players on the ice.

There was discussion with respect to allocating \$8,000 for the Beaverton Foster Hewitt Memorial Arena for bench modifications, the lobby washrooms being open but not the washrooms in the changerooms, and hand sanitizing stations being available throughout the buildings.

The CAO advised that the motion should reflect the requested \$8,000 allocation to the Foster Hewitt Memorial Arena to which councillors agreed.

Councillor Jubb requested a friendly amendment that the \$8,000 allocated for the Beaverton arena showers be used for improvements to the Beaverton arena benches, to which Councillor Doble agreed.

Resolution Number 5-18

MOVED by Claire Doble and SECONDED by Michael Jubb That Report: 2020-CO-48, Stage Three Re-Opening of the Township of Brock Arenas be received for information; and,

That all three arenas in the Township of Brock be opened with reduced operating hours with the existing staff complement; and,

That the Township of Brock run public skating, Moms & Tots, Shinny, and Stick 'n Puck; and,

That only two arenas be open per day and usage be alternated between the three arenas; and,

Further, that the \$8,000 allocated for the Beaverton arena showers be used for improvements needed at the Beaverton arena to meet COVID-19 re-opening requirements.

There was further discussion with respect to washroom use, the flow of people, and the Provincial protocols during the pandemic.

Regional Councillor Smith expressed concern for the feasibility and cost of operating all three arenas and requested an amendment to the motion.

Resolution Number 6-18

MOVED by W.E. Ted Smith and SECONDED by Walter Schummer That Resolution Number 5-18 be amended to include that staff report back on the feasibility of running the public programs prior to implementing them and further, that the associated costs of opening three arenas be included.

Councillors expressed concern for opening the three arenas on a reduced schedule, the costs to operate all three, and implementing the public programming prior to having the details with respect to same.

Staff advised that public programs do not generate a significant revenue for the facilities and the forthcoming report would include scheduling of programs and staffing.

Technical difficulties caused the video recording to stop at this point of the meeting.

Mayor Bath-Hadden requested a recorded vote.

Resolution Number 7-18

MOVED by W.E. Ted Smith and SECONDED by Lynn Campbell that Council break for a recess at 4:52 p.m.

MOTION CARRIED

Mayor Bath-Hadden reconvened the meeting at 5:03 p.m. with the same members of Council and staff in attendance.

Resolution Number 6-18

MOVED by W.E. Ted Smith and SECONDED by Walter Schummer That Resolution Number 5-18 be amended to include that staff report back on the feasibility of running the public programs prior to implementing them and further, that the associated costs of opening three arenas be included.

MOTION WITHDRAWN

Resolution Number 8-18

MOVED by W.E. Ted Smith and SECONDED by Walter Schummer That Resolution Number 5-18 be deferred pending a staff report on the feasibility and costs associated with opening three arenas at a reduced staff complement and the feasibility of running public programs.

Staff advised of the timeline to put ice into the arenas.

Discussion ensued with respect to the public programs which now have added protocols due to the pandemic.

Resolution Number 8-18

MOVED by W.E. Ted Smith and SECONDED by Walter Schummer That Resolution Number 5-18 be deferred pending a staff report on the feasibility and costs associated with opening three arenas at a reduced staff complement and the feasibility of running public programs.

MAYOR

\_\_\_\_\_

CLERK

Resolution Number 1-17

MOVED by W.E. Ted Smith and SECONDED by Walter Schummer that Council break for a recess at 9:54 a.m.

MOTION CARRIED

Mayor Bath-Hadden reconvened the meeting at 10:02 a.m. with the same members of Council and staff in attendance.

Hemson Consulting was engaged in 2009 and the Township's Financial Statements now show a net book value of almost \$61 million for Tangible Capital Assets (TCA).

The 2019 Net Book Value Tangible Capital Assets:

55% Roads, 12% Buildings, 11% Bridges & Structures, 6% Rolling stock, 4% Storm Sewers, 4% Land, 4% Land Improvements, 3% Sidewalks & Parking Lots, 1% Furniture & Equipment

The Township was lacking the funding to adequately service all assets and resources were allocated to the most critical areas with other failures addressed as required.

The Province further introduced legislation requiring all municipalities to create a plan to address the maintenance and replacement of their critical core assets. They introduced funding for the plan's preparation that the Township received in 2013 and Infrastructure Solutions Inc. was engaged to work with staff to complete the first AMP plan for 2013 – 2022. At that time the Township's assets had a net book value of \$63 million and a replacement cost of \$216 million. While the AMP met the requirements of the legislation, it contained assumptions not entirely helpful for planning purposes.

The Province then recognized the need for a form of grant funding to assist with infrastructure and the Ontario Community Infrastructure Fund (OCIF) was created with a formula based component and an application based component. The formula based funding was provided as a stable source of funding to assist with projects identified in the AMP while the application based funding was designed for large one time projects. Applying for the Federal Gas Tax Funding after 2014 required municipalities to include their AMP.

In 2015 the Province passed legislation that defined the following AMP timelines:

- Strategic Asset Management Policy – January 1, 2019
- AMP with Core Infrastructure Assets (current levels of service and cost to maintain them) – January 1, 2020
- AMP with All Infrastructure Assets (current levels of service and cost to maintain them) – January 1, 2021
- AMP with All Assets (proposed levels of service, lifecycle strategy, and financial strategy) – January 1, 2022

The Township of Brock staff created a Strategic Asset Management Policy document as part of the Municipal Finance Officer's Association initiative to assist municipalities in the design of AM policies.

**2013 Plan Compared to the 2019 Plan**

The 2013 version of the AMP, created by the consultant, was based on Provincial requirements and was only used by staff for grant applications. The Province introduced new legislation (Reg. 588/17) requiring an updated AMP and Hemson Consulting was engaged in 2019 with more staff consultation resulting in a more realistic plan. The consultant utilized the Roads Needs Study, a complete inventory of all road conditions and estimated costs to replace or rehabilitate the road, as well as the Structure Inspections Report, which provides data for valuing the bridges and culvert structures.

The 2013 AMP report used the 2011 inspection reports, and the 2019 AMP report used the 2017 inspection reports. Data for other municipal assets was

supplied utilizing the capital asset inventory in the TCA software. It is important to note that the replacement costs in the TCA software were entered when the data was originally entered and not updated until the 2019 study was completed.

The 2019 plan provided current replacement values for non infrastructure assets and used a condition-based valuation for buildings developed by staff rather than an aged based valuation. The 2013 study did not report that, while some assets (buildings) had fully depreciated, they were still worth something.

Councillors enquired as to the affect that the fully depreciated assets have on the deficit and whether refurbishments have an affect on the condition rating. The Treasurer advised in the affirmative noting that she would provide those details to Council.

The 2019 plan utilized current insurance values for the replacement cost estimates on some assets. The 2013 AMP indicated replacement costs of \$216.4 million, while the 2019 AMP indicated replacement costs of \$335.3 million, mainly due to the roads network.

Comparison of the two documents was difficult as there was more detailed information provided for the 2019 plan.

Replacement Values as a Percentage		
	2013	2019
Roads	53%	63%
Bridges & structures	22%	13%
Buildings	15%	17%
Rolling stock	3%	3%
Land improvements	2%	2%
Storm sewers	2%	1%
Sidewalks/Parking lots	2%	0%
Furniture/Equipment	1%	1%

The 2013 AMP recommended in excess of \$187 million be spent over the next 10 years with \$147 million spent within the first year. The 2019 AMP recommended in excess of \$200 million be spent over the next 10 years with \$37 million in the first year. The difference accounts for inflationary increases and allows for adjustments for work already completed and improvements already made. The 2019 AMP evens out the spending over time. The 2019 AMP provides a roads replacement cost of \$212 million versus \$114 million in 2013.

Councillors enquired whether the roads replacement costs consider bringing roads up to standard to which the Treasurer advised that they reflect replacement of a similar road construction and noted that the replacement values increase as building increases.

Councillor’s enquired whether future consultant reports could provide greater detail and were advised in the affirmative. Councillor’s enquired as to how much has been spent on the initial 10 year window list and were advised that \$35 million was budgeted to be spent over 5 years and further detail would be provided.

**Intended use of the Plan in Brock**

The objective of a good AMP is to have a “living” document that staff can work with and update as conditions and circumstances change. The Director of Public Works and the Treasurer are assigned to this role due to staffing limitations and legislative requirements.

**Amp Goals**

- Have a plan that is a “Living Document” and a critical part of the organization’s planning process.
- Provide a document that will guide future asset management protocols and infrastructure investment decisions.
- To ensure the community continues to meet the legislated Asset Management requirements.

- Good planning is essential to financial sustainability and this has been emphasized in the current organizational review.
- The focus should be on “Doing things right”
- The focus should also be on “Doing the right things”

Financial sustainability is when planned service and infrastructure levels can be met without resorting to unplanned increases in rates or disruptive cuts to services. Township staff work with Council annually to meet the service expectation of the public through the budget process. The 2019 AMP addresses current levels of service for all Township assets and focuses on the costs to maintain the current levels.

The Treasurer advised that the Township meets the AMP legislated requirements noting that the next level includes public engagement on proposed levels of service.

Councillors enquired as to past public engagement and were advised public engagement during Council meetings and public open houses on specific matters.

The Treasurer advised that part of long-range planning includes determining the costs to sustain donated assets.

Councillor's enquired whether future reports for proposed donated assets could include the maintenance costs and life expectancy to which the Treasurer agreed.

### **Funding the Plan**

The annual budget process identifies what should be done in the current year based on the plan. To implement the plan, resources can come from different funding sources such as the tax levy, Federal Gas Tax fund, Federal grants, Provincial grants, Provincial OCIF, donations, and Reserves. The Federal Gas Tax and Provincial OCIF grants have been received by the Township consistently for five years but are not guaranteed. The COVID-19 pandemic in 2020 leaves it unclear as to what will happen with grant funding for infrastructure projects.

Reserve and Reserve Fund contributions are somewhat dependant on growth related to development and, depending on their balances, finance the Township repairs.

The 2019 plan proposes \$37 million be spent annually to reduce the deficit which is not feasible and many municipalities are experiencing a similar funding shortfall. Ever increasing customer expectations and legislative/legal requirements are forcing municipalities to focus limited resources on 'at risk assets'. This results in the need to reduce or eliminate services and impacts the ability to improve other assets that are not on the critical list.

The Consultant recommended increasing regular contributions to capital for asset rehabilitation and replacement, exploring opportunities to expand user fees, evaluating the strategic use of debt for asset rehabilitation/replacement, investigating other funding mechanisms, and continuing to seek upper level government funding.

There was discussion with respect to shovel-ready projects and opportunities for other funding mechanisms (partnerships).

### **Updating the Plan**

For the AMP to be a living document it needs to be updated at least every 5 years. The current plan needs to include proposed levels of service for the next 10 years, together with asset lifecycle management and updated financing strategies. This update must be in the plan by January 1, 2022, to meet the requirement of Ontario Regulation 588/17. The update must be started in 2021 to meet the reporting deadline unless this is extended by the Province. Given the

limited staffing resources, it is recommended that Hemson Consulting be engaged to update the plan for 2022. As part of their presentation, Hemson Consulting recommended that an Asset Management Internal Network be established to assist in ensuring the plan is updated. Upon completion of the organizational review, staff will include recommendations in the budget to address this issue. While the infrastructure deficit may never be eliminated, it is critical to have a strategy in place to address. The goal is to have a long-term plan for the Township that addresses what is financially sustainable.

There was discussion with respect to the public engagement portion for proposed service levels, and a Councillor suggestion for a motion requesting an extension to the January 1, 2022 deadline.

Councillor’s enquired whether municipalities with healthy reserves do not receive grant funding to which the Treasurer advised that, to her knowledge, the government no longer gives healthy reserves the same weight when reviewing applications because they understand that some municipalities have limited revenue sources.

Councillors enquired as to funding for consultant engagement to which the Treasurer advised that the Township received \$25,000 in 2013, none in 2019, and she would research the cost of updating the study for next years budget.

**5. Public Questions and Clarification**

Suspended until further notice.

**6. Confirmation By-law**

By-law Number 2975-2020 – to confirm the proceedings of the Council of the Corporation of the Township of Brock at its meeting held on September 14, 2020

Chief Administrative Office

CAO to Council

Report: 2020-CO-52

Date: Monday, September 28, 2020

---

**Subject**

Integrity Commissioner Complaints

---

**Recommendation**

That Report No. 2020-CO-52, Integrity Commissioner Complaints, be received for information; and

That Council authorize staff to amend the Council Conduct of Conduct and Complaint Protocol as outlined in this report.

---

**Attachments**

None

---

**Background**

At our meeting held on August 10, 2020, Council considered communication no. 887, Guy Giorno, Integrity Commissioner – Report on Complaint – Campbell v. Schummer, 2020 ONMIC 8, the account submitted by our Integrity Commissioner and how Members may or may not use the Code of Conduct complaint process. Emphasis was placed on how Members relate to one another.

I asked to be given the opportunity to consult with the Clerk and our Integrity Commissioner on amendments that might be possible to make to your Code of Conduct.

**Discussion**

The Clerk and undersigned met with Mr. Giorno on September 15 and had a good discussion. It is staff's view that members have a range of opportunities to deliberate and comment on their behaviours, statements, use of email and social media etc.

Mr. Giorno has suggested that the following amendments be considered:

Add additional paragraph to 16.0 of the Code

A Member of Council who feels aggrieved by the comments of another Member has opportunities to address the concern unavailable to members of the public, including the opportunity to speak at Council and committee and to raise points of privilege and points of order. It is also presumed that Members have relatively equal access to public channels of communication. Consequently, a complaint by a first Member about an oral, written or digital communication of a second Member shall not be processed except in extraordinary circumstances where the first Member lacks any opportunity to address the concern by other means.

Add complementary section to the Complaint Protocol

- 4.3 The Integrity Commissioner shall not investigate a Complaint (or portions of a Complaint) by a Member concerning the oral, written or digital communication of another Member unless the Member bringing the Complaint establishes extraordinary circumstances in which that Member lacks any opportunity to address the concern by other means. The Integrity Commissioner will give the Complainant and the Member identified in the Complaint Form/Affidavit written notice that the Complaint, or portions of it, will not be investigated. The Integrity Commissioner will send to the Council, through the Clerk, both a copy of the notice and the original Complaint Form/Affidavit.

The Clerk and undersigned both agree that these changes should be considered by Council for adoption.

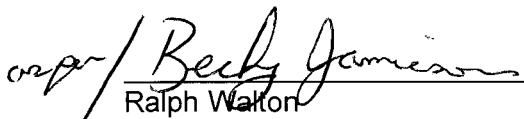

### **Financial**

There is no financial impact to this report.

### **Summary**

It is staff's recommendation that the Council Code of Conduct and Complaint Protocol be amended as outlined in the report.

Respectfully submitted,

### Subject

Brock Emergency Response Benefit Update

### Recommendation

That Report No. 2020-CO-51, Brock Emergency Response Benefit Update be received for information;

That a letter of thanks be sent to South Lake Community Futures Development Corporation for administering the Brock Emergency Response Benefit.

### Attachments

Attachment No. 1 Successful Applicants from Intake 1

Attachment No. 2 Successful Applicants from Intake 2

### Background/Discussion

Council authorized the Township to transfer \$150,000 to South Lake Community Futures Development Corporation for the administration of the Brock Emergency Response Benefit.

The agreement between the Township of Brock and South Lake Community Futures Development Corporation was executed and the initial intake (intake 1) for the Brock Emergency Response Benefit (BERB) was from June 1<sup>st</sup> – June 15<sup>th</sup>, 2020.

The program was announced on the Township of Brock website on May 27, 2020 and shared on social media. South Lake Community Futures Development Corporation shared the Township's media release on their website, a page dedicated to the BERB was created and placed on their page, an email blast was sent to their mailing list, information was shared on their social media accounts (facebook, Instagram), and it was shared with Brock Board of Trade (BBOT). Grants between \$2,500 and \$5,000 were available during intake 1.

This document is available in alternate formats upon request.  
Please contact the Clerk's Department at 705-432-2355.

During intake 1, 18 applications were received and 17 of the 18 applications received funding allocating to \$81,000. Attachment No. 1 summarizes the 17 applicants that received funding during intake 1.

Intake 2 of the program was announced on the Township of Brock website on July 20, 2020 and shared on social media. South Lake Community Futures Development Corporation shared the Township's media release on their website, a page dedicated to the BERB was created and placed on their page, an email blast was sent to their mailing list, information was shared on their social media accounts (facebook, Instagram), and it was shared with Brock Board of Trade (BBOT). Grants between \$2,500 and \$3,500 were available during intake 2.

During intake 2, 20 applications were received, and all 20 applicants received funding allocating to \$65,000. Attachment No. 2 summarizes the 17 applicants that received funding during intake 2.

### Financial

BERB Fund-\$150,000	
Round 1-Allocated and Disbursed in July	\$ 81,000.00
Round 2- Allocated in August, Disbursed in Aug/Sept	\$ 65,000.00
1% SLF Admin Fee	\$ 1,460.00
Total	\$ 147,460.00
Amount to return to Township of Brock	\$ 2,540.00

The \$2,540 remaining from the BERB will be allocated to the Brock COVID-19 Community Not-For-Profit COVID-19 Grant.

There is no financial impact to this report as the funds have previously been allocated and approved for this program.

### Summary

The BERB was a successful program. Through this program, the Township was able to provide financial support to 37 businesses who were struggling due to COVID-19. Staff recommend that the report be received for information and that a letter of thanks be sent to South Lake Community Futures Development Corporation for administering the Brock Emergency Response Benefit.

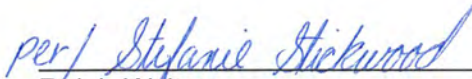

Respectfully submitted,

Becky Jamieson  
Municipal Clerk

### Subject

Brock COVID-19 Community Grant for Not-For-Profits Funding Allocation

---

### Recommendation

That Report No. 2020-CO-53, Brock COVID-19 Community Grant for Not-For-Profits Funding Allocation be received for information; and

The Council authorize staff to proceed with the payments as recommended for the Brock COVID-19 Community Grant for Not-For-Profits as contained in Attachment No. 3.

---

### Attachments

- Attachment No. 1 Brock COVID-19 Community Grant for Not-For-Profits Application
  - Attachment No. 2 Media Release – August 15, 2020
  - Attachment No. 3 Summary of Applications Received & Allocations Recommended
- 

### Background

Council, at its meeting held on August 12, 2020, Report No. 2020-CO-45, Proposed Brock COVID-19 Community Grant for Not-For-Profits recommending that Council implement a Brock COVID-19 Community Grant for Not-For-Profits to provide some financial relief and assistance to not-for-profit, volunteer community organizations, who provide direct services, events and programs to the benefit of the residents of Brock.

Council adopted Resolution No. 36-9 that the Council authorize staff to proceed with the Brock COVID-19 Community Grant for Not-For-Profits as outlined in the report and that \$25,000 budgeted for the Community Improvement Plan for Rebates and Incentives for a total of \$25,000 and \$5,000 budgeted for Recreation and Leisure Events and other be used to fund the program.

### Discussion

This document is available in alternate formats upon request.  
Please contact the Clerk's Department at 705-432-2355.

The Brock COVID-19 Community Grant for Not-For-Profits, is a one-time grant, intended to provide some financial relief and assistance to not-for-profit, volunteer community organizations who provide direct services, events or programs to the benefit of the residents of Brock. Grants of up to \$2,500 are available. Attachment No. 1 is the application.

#### *Summary of Applications*

The intake period for the Brock COVID-19 Community Grant for Not-For-Profits was from August 12 – September 9, 2020. The program was launched via a media release on August 12, as contained in Attachment No. 2. In addition, the program was promoted on social media, in the Brock Citizen, on the Township's website and via e-mail blasts. Staff also contacted numerous organizations whom we had a phone number for via telephone.

In total, 20 applications were received requesting a total of \$45,250 in funding. A summary of the applications received, and the amount requested is contained in Attachment No. 3.

Staff reviewed the applications and recommend that any organization within Brock that showed a loss of revenue of over 75%, receive a \$2,500 grant. Any organization within Brock that showed a loss or revenue between 30% - 70%, receive a grant of \$1,500. Any organization that provides services to North Durham, be provided a grant of \$850. Based on this, \$32,300 in funding will be provided as per the recommended amount noted in Attachment No. 3.

Should Council approve the recommended allocations, a letter will be sent to the successful applicants and the applicants will be required to submit documentation showing how the funds were used within 90 days of receiving the funds.

#### **Financial**

Council authorized that the \$25,000 budgeted for the CIP Rebates and Incentives and \$5,000 from the Recreation and Leisure budget for Events and other be utilized for the Brock COVID-19 Community Grant for Not-For-Profits program. Further that any unspent COVID-19 Brock Emergency Response Benefit (BERB) be used as well. A total of \$2,540 was left from the BERB. A total of \$32,540 is available for the Brock COVID-19 Community Grant for Not-For-Profits program.

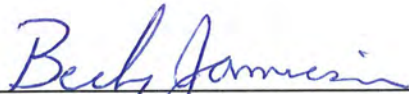

The Treasurer has been consulted on this and concurs with the recommendations.

#### **Summary**

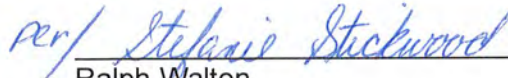

As a result of the current pandemic, since March of this year, residents, businesses and community organizations have faced numerous challenges. Financial relief has been provided to both residents and businesses. The Brock COVID-19 Community Grant for Not-For-Profits achieves the objective of providing financial support to our community organizations.

## Brock COVID-19 Community Grant for Not-For-Profits

**Intake Period August 12 – September 9, 2020**

The Township of Brock acknowledges the efforts of our local volunteer community and believes that many services, events or projects are best provided through the volunteer efforts of local community organizations. Since March of this year, many of our community organizations have been faced with hardships due to the recent pandemic. To assist our local community not-for-profit organizations during these challenging times, the township is offering a one-time grant. The Brock COVID-19 Community Grant for Not-For-Profits is intended to provide some financial relief and assistance to not-for-profit, volunteer community organizations who provide direct services, events or programs to the benefit of the residents of Brock. Grants up to \$2,500 are available.

### Application:

<b>Not-For-Profit Organization Name:</b>	<hr/>
<b>Organization Address:</b>	<hr/> <hr/> <hr/>
<b>Organization Phone Number:</b>	<hr/>
<b>Organization Email Address:</b>	<hr/>
<b>Overview of services organization provides to the community:</b>	      

### Application Process:

- Applicant submits a completed application and corresponding documentation requested to [brock@townshipofbrock.ca](mailto:brock@townshipofbrock.ca)
- Documentation is reviewed by staff and a recommendation to award grant recipients will be provided to Council.
- Upon approval of the recommendation, funds will be made available within two (2) weeks.

### **Eligibility Criteria:**

The following criteria must be met to be eligible for the Township of Brock COVID-19 Community Grant for Not-For-Profits:

- a) Not-for-profit or volunteer based organizations within the Township of Brock or the Region of Durham delivering programs, events or services to the residents of Brock. Regionally based organizations must provide details demonstrating how their service will directly benefit the residents of Brock; and
- b) Experienced a 30% loss of revenue (fundraising, registration fees, etc.) due to COVID-19.

\* Any not-for-profit that received funding from the BERB, is not eligible for the Brock COVID-19 Community Grant for Not-For-Profits.

Grants may be provided to eligible applicants as defined above, for:

- General operating and capital expenses;
- COVID-19 Related expenses;
- Activities/events generally occurring within Township boundaries; or
- For programs, activities and events addressing a community need or contributing to the positive image of the Township.

The Grant is not intended to provide funding:

- To organizations with a political mandate, such as citizen ratepayers associations;
- To individuals;
- To organizations that provide services or programs that are the responsibility of another level of government; and
- For debt repayment.

## Township of Brock develops Brock COVID-19 Community Grant for Not-For-Profits

---

Posted Wednesday, August 12, 2020

[← Back to Search](#)

The Township of Brock has set up a \$30,000 Brock COVID-19 Community Grant for Not-For-Profits. This fund will grant eligible not-for-profits, who have seen a 30 per cent reduction in revenue (i.e. fundraising), up to \$2,500. Council approved this program at its meeting held on Monday, August 10, 2020.

"Council acknowledges the efforts of our local volunteer community and believes that many services, events or projects are best provided through the volunteer efforts of local community organizations," said Mayor Debbie Bath-Hadden. "Since March of this year, many of our community organizations have been faced with hardships due to the recent pandemic. To assist our local community not-for-profit organizations during these challenging times, the township is offering a one-time grant. The Brock COVID-19 Community Grant for Not-For-Profits is intended to provide some financial relief and assistance to not-for-profit, volunteer community

organizations who provide direct services, events or programs to the benefit of the residents of Brock.”

The money for the Brock COVID-19 Community Grant for Not-For-Profits will come from savings in the 2020 operating budget. The funds will be given out as grants to qualifying local not-for-profits with amounts up to \$2,500. Any not-for-profit that received funding from the BERB, is not eligible for the Brock COVID-19 Community Grant for Not-For-Profits.

The following criteria must be met to be eligible for the Township of Brock COVID-19 Community Grant for Not-For-Profits:

- a. Not-for-profit or volunteer based organizations within the Township of Brock or the Region of Durham delivering programs, events or services to the residents of Brock. Regionally based organizations must provide details demonstrating how their service will directly benefit the residents of Brock; and
- b. Experienced a 30% loss of revenue (fundraising, registration fees, etc.) due to COVID-19.

Grants may be provided to eligible applicants as defined above, for:

- General operating and capital expenses;
- COVID-19 Related expenses;
- Activities/events generally occurring within Township boundaries; or
- For programs, activities and events addressing a community need or contributing to the positive image of the Township.

The Grant is not intended to provide funding:

- To organizations with a political mandate, such as citizen ratepayers associations;
- To individuals;
- To organizations that provide services or programs that are the responsibility of another level of government; and
- For debt repayment.

The intake for the program will be August 12 – September 9, 2020. The [Application](#) and additional information on the program is available online.

#### **2. St. Patrick's Night event**

- An estimate was made for ticket sales
- Keith questioned who would judge the costume contest. Decision was to go by audience response with Kevin judging the applause.
- Keith questioned what to pay the band. Richard declared a conflict of interest as he is a member of the band, Liverspots. Keith had discussed the pay with Kevin. Moved by Annette, seconded by Dorothy that the Liverspots be paid \$600 for St. Patrick's Night. MOTION CARRIED.

#### **3. Aldbury Gardens Brass Quintet event**

- Moved by Annette, seconded by Shelby that the ticket price for school students for the brass quintet be \$5. MOTION CARRIED. Plan is to invite Brock HS students in the music department.
- Moved by Chris, seconded by Annette that we contact Albury Gardens Brass Quintet to postpone the Apr 24 concert to a later date. MOTION CARRIED. Faye to contact Kevin.

#### **4. Report of the Integrity Commissioner – by Mayor Bath-Hadden**

- The Mayor explained that she came from Council to give us the report. Council had reviewed their report at their Committee meeting on Monday.
- She explained the steps leading up to the complaint being filed.

- She had two handouts for each board member and asked that questions be raised immediately as she was reading or we thought of questions from what we were reading. The two documents from the Integrity Commissioner, Guy Giorno were:
  - *Reasons for Decision*
  - *Report on Complaint*
- From the second document, the *Summary* - written by Guy Giorno - was reviewed. Debbie read each point and answered questions from the board on several points. Next the *Steps of the Process* were reviewed.
- Time was spent discussing the *Recommendations*. To assist the hall board, Mayor Bath-Hadden said that Becky had contact Faye to be a guest speaker at next board meeting. That will be March 17<sup>th</sup>. Her goals will be to teach the hall board of a new township contract form for performers; and to provide refresher training in meeting requirements of the *Municipal Act*. We were advised that all boards will be receiving this additional training. Also that acting Township committees will be trained on the Council Code of Conduct.
- In Camera – at 7:45 pm it was moved by Keith, seconded by Richard that we go in Camera to discuss a personal/personnel matter. MOTION CARRIED.
- Motion to rise – at 8:25 pm it was moved by Dorothy, seconded by Annette that we rise from the In Camera session. MOTION CARRIED.
- Moved by Annette, seconded by Shelby that the Wilfrid Hall Board requests the Township of Brock to consider the removal of the current Councillor representative from the Wilfrid Hall Board. Moved by Keith, seconded by Annette that we have a recorded vote. MOTION CARRIED. Results: Keith (yeah), Shelby (yeah), Faye (yeah), Edie (yeah), Annette (yes) Chris (yes), Dorothy (yes), Richard (yes). MOTION CARRIED.

## 6. Adjournment

Motion to adjourn at 8:35 pm. Next meeting is at Wilfrid Hall at 7 pm on March 17<sup>th</sup>.

Township of Brock  
Cannington, Ontario

September 21, 2020

To whom it may concern,

I am writing this letter on behalf of the Cannington Lions Club. The Club wishes to hold its annual Scrap Metal Drive on Saturday, Oct.03, 2020. We are requesting again permission to have a drop bin located in the parking lot of the Rick McLeish Arena in Cannington. People will be asked to drop off their items which will then be sorted and placed in the bin. All Covid-19 protocols will be observed.

Looking forward to your response,

Bo Enss

# Reports of Committees

**The Corporation of the Township of Brock**  
**Committee of the Whole Electronic Meeting Minutes - Draft**  
**Municipal Administration Building**

**Session Seven** **Monday, September 21, 2020**

The Seventh Meeting of the Committee of the Whole of the Township of Brock, in the Regional Municipality of Durham, was held on Monday, September 21, 2020, electronically.

Members present:	Mayor:	Debbie Bath-Hadden
	Regional Councillor:	W.E. Ted Smith
	Councillors:	Michael Jubb
		Claire Doble
		Walter Schummer
		Cria Pettingill
		Lynn Campbell
Members absent:	Councillor:	Claire Doble (regrets)
Staff members present:	Municipal Clerk Becky Jamieson	
	(recording the minutes)	
	Deputy Clerk Deena Hunt	
	Acting CAO Ralph Walton	
	Treasurer Laura Barta	
	Fire Chief Rick Harrison	
	Director of Public Works Paul Lagrandeur	
	Planner Debbie Vandenakker	
	Recreation and Leisure Coordinator Alicia Bagshaw	

**1. Call to Order and Moment of Silence**

Mayor Bath-Hadden called the meeting to order at 9:30 a.m.

**2. Disclosure of Pecuniary Interest and Nature Thereof**

None

**3. Adoption of Minutes**

- (1) 3rd COW meeting – February 7, 2020
- (2) 4th COW meeting– March 2, 2020
- (3) 6th COW meeting – April 6, 2020
- (4) 6th COW meeting, Closed Session – April 6, 2020

Resolution Number 1-7

MOVED BY W.E. Ted Smith that the minutes of the 3rd, 4th, and 6th Committee of the Whole meetings and In Camera Session as held on February 7th, March 2nd, April 6th, and April 6th, respectively, be adopted as typed and circulated.

MOTION CARRIED

**4. Announcements from Council and Staff**

Suspended until further notice.

**5. Presentations**

None

**6. Hearing of Delegations**

- (1) Ms. Claire Malcomson, Executive Director, Rescue Lake Simcoe Coalition – Lake Simcoe: Threats and Opportunities 2020

Ms. Claire Malcomson provided a presentation on Lake Simcoe's phosphorus pollution and sources, the Lake Simcoe Protection Act and Plan, Lake Simcoe Protection Plan Review in 2020, and requested that Council consider adopting the resolution provided in her presentation.

Resolution Number 2-7

MOVED BY Lynn Campbell that the rules of procedure with respect to the length of the deputation be waived.

MOTION CARRIED

Councillors enquired as to the members of the coalition, whether there was an agricultural phosphorus breakdown within the data, and whether water infiltration systems are preferred over storm water management ponds.

Ms. Malcomson advised that the coalition is comprised of local associations, the presentation data reflects the Provincial 2010 data for phosphorous loads which is not broken down further, and that low impact development (infiltration) systems are preferred for managing flood water on site. She advised that Beaverton had experienced a lot of sediment, but that it has improved with the remediation plan in place.

Councillors enquired as to area municipalities involvement, the rise in the phosphorous load and fluctuation in the data, whether there was Federal funding, and how tourism is affected.

Ms. Malcomson advised that some municipalities are awaiting the results of the Lake Simcoe Protection Plan Review prior to providing support noting that some have adopted the proposed resolution. She advised that the flow volume drives up the phosphorous load number which increased to 131 tonnes per year in 2017, and that fluctuation is due to dry or rainy years. She advised that many agencies have taken action to reduce phosphorous loads, however, there remains a need to flatten the curve on the flow volumes by increasing natural coverage, protecting the natural heritage, and increasing flood water mitigation work. She advised that there is currently no Federal funding but that they are prepared to submit an application for the Climate Change Action Fund. She further advised that tourism is affected by the algae content in the lake noting that Beaverton beaches are affected by the prevailing winds more than other areas of the lake. She concluded by noting that the Province has weakened the lake standards and measuring bacteria levels has changed such that the safe levels are now double what they once were.

Resolution Number 3-7

MOVED BY Cria Pettingill

WHEREAS a healthy environment provides the foundation for healthy communities, healthy people, and a healthy economy; and

WHEREAS the passage of the Lake Simcoe Protection Act received unanimous, all party support in the Ontario legislature in 2008;

THEREFORE BE IT RESOLVED, THAT the Township of Brock calls on the Ontario Government to demonstrate its commitment to clean water and protecting what matters most in the provincial statutory review of the Lake Simcoe Protection Plan, by ensuring that provisions in the Lake Simcoe Protection Plan that protect water quality are not weakened and that policies protecting natural heritage be strengthened, in order to meet the targets of the Lake Simcoe Protection Plan; and

THAT the Ontario Government be requested to work collaboratively with affected Provincial Ministries and all levels of government, including First Nations and Métis, to achieve the goals and targets of the Lake Simcoe Protection Plan and to resource the programs that improve Lake Simcoe's water quality during the provincial statutory review of the Lake Simcoe Protection Plan; and

THAT copies of this resolution be provided to Ontario Premier Doug Ford, Official Opposition Leader Andrea Horvath, MPP John Fraser, MPP Mike Schreiner, MPP Mulroney, and MPP Jeff Yurek, Minister of the Environment, Conservation and Parks.

**MOTION CARRIED**

- (2) Mr. Riaz Razvi, Broadband Specialist, Region of Durham – Broadband Update

Mr. Riaz Razvi provided a presentation on the broadband survey study, the Canadian Internet Registration Authority (CIRA) webpage, and the Improving Connectivity Ontario (ICON) funding program.

**Resolution Number 4-7**

MOVED BY Cria Pettingill that the rules of procedure with respect to the length of the deputation be waived.

**MOTION CARRIED**

Councillors enquired as to the Expression of Interest (EOI) for the CENGN funding to which Mr. Razvi advised that the EOI is seeking the input of area municipalities of their issues and challenges with respect to broadband.

Councillors enquired whether the fibre network (highway) would be a collaboration of private, municipal, and Regional ownership and was advised potentially, as the goal is for the 'end entity' to own it, and that ownership is not yet defined.

Committee expressed concern for affordability of the updated connectivity to which Mr. Razvi advised that the concern has been acknowledged by the Region and the pricing would be addressed within the business case.

Committee members enquired whether North Durham would be a focus for the fibre optic highway and were advised that the un-serviced areas in the Region of Durham would be the focus including each separate hamlet.

**Resolution Number 5-7**

MOVED by W.E. Ted Smith that the Committee of the Whole break for a recess at 10:45 a.m.

**MOTION CARRIED**

Mayor Bath-Hadden reconvened the meeting at 10:55 a.m. with the same members of Council and staff in attendance.

**Resolution Number 6-7**

MOVED BY Lynn Campbell that Committee of the Whole amend the order of the agenda to consider the In Camera Session at this time.

**MOTION CARRIED**

Staff left the meeting with the exception of the Acting CAO and Clerk.

**9. Closed Session**

- 1) Personnel Matter

Pursuant to Section 239(2)(b) of the Municipal Act, 2001 to discuss personal matters about an identifiable individual, including municipal or local board employees; and,

Pursuant to Section 239(2)(f) of the Municipal Act, 2001 to discuss advice that is subject to solicitor-client privilege.

Resolution Number 7-7

MOVED by Lynn Campbell that Committee move in-camera at 10:58 a.m. pursuant to Section 239(2)(b) of the Municipal Act, 2001 to discuss personnel matters about an identifiable individual, including municipal or local board employees; and, pursuant to Section 239(2)(f) of the Municipal Act, 2001 to discuss advice that is subject to solicitor-client privilege, including communications necessary for the purpose.

MOTION CARRIED

Resolution Number 8-7

MOVED by W.E. Ted Smith that we rise from In Camera at 11:40 a.m.

MOTION CARRIED

Resolution Number 9-7

MOVED by W.E. Ted Smith that the Committee of the Whole break for a recess at 11:42 a.m.

MOTION CARRIED

Mayor Bath-Hadden reconvened the meeting at 12:30 p.m., in open session, with the same members of Council and staff in attendance.

**7. Sub-Committee**

**Finance Committee**

**(a) Consent Agenda**

Resolution Number 10-7

MOVED BY Walter Schummer that items listed under Section 7, Finance Consent Agenda, be approved, save and except communication numbers 1196 and 1220.

MOTION CARRIED

1197 Laura Barta – Report: 2020-FI-08, 2021 Budget Plan

Resolution Number 11-7

That Report: 2020-FI-08, 2021 Budget Plan be received for information; and,

That the appended Budget Information Sheets be circulated to assist the public to understand the municipal budget process; and,

That Council set a date to hold the 2021 Pre-Budget Streetlight Cost Allocation Presentation to obtain Public comments.

**(b) Items Extracted from Consent Agenda**

1196 Laura Barta – Report: 2020-FI-09, Financial Update Report – August 2020

There was discussion with respect to the usual number of applications being received for the Senior's Property Tax Credit.

Resolution Number 12-7

MOVED BY Walter Schummer That Report: 2020-FI-09, Financial Update Report – August 2020, be received for information.

MOTION CARRIED

1220 Laura Barta – Report: 2020-FI-10, Brock COVID-19 Property Tax Penalty and Interest Relief Program

Councillors enquired as to the anticipated demand for this program and the deadline for applications and were advised that, as it is for residential taxes only, not many application are anticipated and the deadline is October 31, 2020.

Councillors enquired as to the consideration for reduced household income and were advised that, should they be experiencing financial difficulty, their application would be considered.

Resolution Number 13-7

MOVED BY Walter Schummer That Report: 2020-FI-10, Brock COVID-19 Property Tax Penalty and Interest Relief Program be received for information; and,

That staff be directed to implement the program as described by placing the appended COVID-19 Property Tax Penalty and Interest Relief Program application form online for the public to access.

MOTION CARRIED

**(c) Other Business**

None

**Public Works, Facilities & Parks Committee**

**(a) Consent Agenda**

Resolution Number 14-7

MOVED BY Michael Jubb that items listed under Section 7, Public Works, Facilities & Parks Consent Agenda, be approved, save and except communication numbers 1123, 1124, 1218, and 1131.

MOTION CARRIED

988 Pat Smith – Speed Deterrent on Parklawn Boulevard, Beaverton

Resolution Number 15-7

That communication number 988 be received for information; and that the communication be referred to staff for a report.

1173 Cannington Lioness Club – Annual Lioness Ducky Race – 2021

Resolution Number 16-7

That communication number 1173 be received; and That Committee has no objection to the request to hold a Ducky Race on May 31, 2021 provided all COVID-19 protocols are met.

1179 Ministry of Transportation – Widening of Highway 12

Resolution Number 17-7

That communication number 1179 be received for information and filed.

**(b) Items Extracted from Consent Agenda**

1123 Julie Lindsay – Safety measures for King Street, Beaverton

1124 Darlene Hopkins – Concerns and Recommendations for King Street, Beaverton

Resolution Number 18-7

MOVED BY Michael Jubb that King Street, in front of Beaverton Public School, be painted with striped lines indicating school zone and that communication 1123 and 1124 be forwarded to staff for a report.

Councillors enquired as to the feasibility of line painting and were advised that it could be a short term solution as the Durham District School Board is continuing with their construction plans.

Resolution Number 18-7

MOVED BY Michael Jubb that King Street, in front of Beaverton Public School, be painted with striped lines indicating school zone and that communication 1123 and 1124 be forwarded to staff for a report.

MOTION CARRIED

1218 Becky Jamieson – Report: 2020-PWF-08, Beaverton Harbour Advisory Committee (BHAC)

There was discussion with respect to keeping the recommended date for input from the BHAC for the Beaverton Skywoman proposal as March 31, 2021.

Councillors enquired, with respect to the various advisory committees being formed, whether the Clerk's staff resources would require an increase and were advised that staff would attempt to address all advisory committee needs. Councillors noted that the upcoming budget could reflect an increase in staffing requirements in the Clerk's department.

Resolution Number 19-7

MOVED BY Michael Jubb That Report: 2020-PWF-08, Beaverton Harbour Advisory Committee (BHAC) be received for information; and,

That the Beaverton Harbour Advisory Committee (BHAC) Terms of Reference as contained in Attachment Number 1 be approved; and,

That staff be directed to advertise for the BHAC as outlined in the report.

MOTION CARRIED

1131 Paul Lagrandeur – Report: 2020-PWF-07, Speeding Concerns – Beaver Ridge Drive, Cannington

Resolution Number 20-7

MOVED BY Walter Schummer that Report: 2020-PWF-07, Speeding Concerns – Beaver Ridge Drive, Cannington be received; and that staff report to Committee or Council with preferred speed control methods, outside of signage, and the report include the issue of sidewalk placement as requested at the July 13 meeting.

Councillors requested a more detailed report that would consider the opportunity to install flexible bollards, and address the sidewalks and ditch concerns and were advised in the affirmative.

Resolution Number 20-7

MOVED BY Walter Schummer that Report: 2020-PWF-07, Speeding Concerns – Beaver Ridge Drive, Cannington be received; and that staff report to Committee or Council with preferred speed control methods, outside of signage, and the report include the issue of sidewalk placement as requested at the July 13 meeting.

MOTION CARRIED

**(c) Other Business**

Regional Councillor Smith enquired as to the impact that the Province's announcement about decreasing group sizes due to the increase in COVID cases would have on the decision to open the municipal arenas to which the Acting CAO advised that it would be Council's decision and a future report would provide discussion opportunity.

**Building, Planning & Economic Development Committee****(a) Consent Agenda**Resolution Number 21-7

MOVED BY Cria Pettingill that items listed under Section 7, Building, Planning & Economic Development Consent Agenda, be approved, save and except communication numbers 1133, 1141, 927, and 1216.

MOTION CARRIED

- 1142 Richard Ferguson – Report: 2020-BPE-04, Building Department – Second Quarterly Report 2020

Resolution Number 22-7

That Report: 2020-BPE-04, Building Department – Second Quarterly Report 2020 be received for information.

**(b) Items Extracted from Consent Agenda**

- 1133 Debbie Vandenaeker – Report: 2020-BPE-05, Staff report in response to a request to report on the feasibility of the suggestions put forward in the September 27, 2019 deputation presentation titled "Brock Citizens call for Climate Change Action, FRIDAYSforFUTURE"

There was discussion with respect to bringing forth ideas once the Environmental Advisory Committee has been established and report to Council.

Resolution Number 23-7

MOVED BY Cria Pettingill That Report: 2020-BPE-05 be provided to the yet to be established Environmental Advisory Committee for consideration of short, medium and long-term Climate Change actions to be strategically considered for implementation.

MOTION CARRIED

- 1141 Debbie Vandenaeker – Report: 2020-BPE-03, Severance of non-abutting surplus farm dwelling, Township of Brock rezoning application (12-2019-RA), Daryl Phoenix (S2165 Brock);

An application was received from Clark Consulting on behalf of Daryl Phoenix to pursue the planning processes necessary to undertake the severance of a surplus farm dwelling in Durham Region. This process requires a Regional Official Plan Amendment (ROPA), a Township of Brock rezoning and a Regional Land Division (LD) approval. The ROPA and LD processes for this application are complete.

Councillors enquired as to the alteration to the EP lands and were advised that the EP land is increasing to meet the actual delineation of the existing feature.

Resolution Number 24-7

MOVED BY Cria Pettingill That the application for Zoning By-law Amendment No. 12-2019-RA be approved as described herein and that the attached draft By-law be endorsed for approval by Council at the September 28, 2020 Council meeting.

MOTION CARRIED

927 Town of Ajax – ERO Number: 019-1608 – Proposed Amendment 1 to ‘A Place to Grow: Growth Plan for the Greater Golden Horseshoe’

Councillors enquired whether there would be an impact for Brock with respect to the recommendation by Ajax to increase the target intensification to 60% and were advised that the Region’s response is more applicable to Brock.

Resolution Number 25-7

MOVED BY Walter Schummer That communication number 927 be received for information and filed.

MOTION CARRIED

The Acting CAO left the meeting at 1:23 p.m.

1216 Becky Jamieson – Report: 2020-BPE-06, Brock Environmental Advisory Committee (BEAC)

Councillors enquired whether the advisory committee would provide a broader range of comment versus specific environmental initiatives, as per the Terms of Reference, and were advised in the affirmative. Councillors enquired as to the Term Limit Policy for Advisory Committees to which staff advised that the policy has been in place for 6 years and could be uploaded to the website.

Resolution Number 26-7

MOVED BY Walter Schummer That Report: 2020-BPE-06, Brock Environmental Advisory Committee (BEAC) be received for information; and,

That the Brock Environmental Advisory Committee (BEAC) Terms of Reference as contained in Attachment Number 1 be approved; and,

That staff be directed to advertise for the BEAC as outlined in the report.

MOTION CARRIED

**(c) Other Business**

The Clerk advised that there was an inadequate uptake for the Economic Development Advisory Committee and the Tourism Advisory Committee and, in consultation with the Region, staff propose to re-advertise for these committees.

**Tourism, Heritage & Recreation Committee**

**(a) Consent Agenda**

Resolution Number 27-7

MOVED BY W.E. Ted Smith that items listed under Section 7, Tourism, Heritage & Recreation Consent Agenda, be approved, save and except communication number 1217.

MOTION CARRIED

1069 Brock Libraries – Brock Libraries Youth Writing Contest 2020

Resolution Number 28-7

That communication number 1069 be received for information and filed.

**(b) Items Extracted from Consent Agenda**

1217 Becky Jamieson – Report: 2020-THR-01, Brock Seniors' Advisory Committee (BSAC)

There was discussion with respect to postponing the establishment of this advisory committee until the Spring of 2021. Staff were requested to bring the BSAC back in the Spring for discussion.

Resolution Number 29-7

MOVED BY Walter Schummer That Report: 2020-THR-01, Brock Seniors' Advisory Committee (BSAC) be received for information.

MOTION CARRIED

**(c) Other Business**

None

**Protection Services Committee**

**(a) Consent Agenda**

Resolution Number 30-7

MOVED BY Cria Pettingill that items listed under Section 7, Protection Services Consent Agenda, be approved, save and except communication numbers 1104, 1163, 1165, and 1066.

MOTION CARRIED

1108 Shirley Wiche – Supportive Housing in Beaverton

Resolution Number 31-7

That communication number 1108 be received for information and filed.

1121 Harris Rosen – Durham Housing Project – Main Street, Beaverton

Resolution Number 32-7

That communication number 1121 be received for information and filed.

1136 Alzheimer Society Durham Region – Proclamation and Illumination Request

Resolution Number 33-7

That communication number 1136 be received and that Committee proclaim September 21, 2020, as "World Alzheimer's Day".

1143 Mary Ellen Empringham – Planned Housing Unit in Beaverton

Resolution Number 34-7

That communication number 1143 be received for information and filed.

1160 Peter Bornemisa – Supportive Housing Project in Beaverton

Resolution Number 35-7

That communication number 1160 be received for information and filed.

1161 Donna Snider – Proposed Housing Complex in Beaverton

Resolution Number 36-7

That communication number 1161 be received for information and filed.

1162 Liz Martyn – Modular Housing Proposal in Beaverton

Resolution Number 37-7

That communication number 1162 be received for information and filed.

1164 Doreen and Eugene Belanger – Proposed Social Housing Project,  
Beaverton

Resolution Number 38-7

That communication number 1164 be received for information and filed.

1202 Deborah and Charles Brackett – Supportive Housing in Beaverton

Resolution Number 39-7

That communication number 1202 be received for information and filed.

1205 Mary Beddows for the Tenants of Gillespie Gardens – Concerns about  
Supportive Housing Project, Beaverton

Resolution Number 40-7

That communication number 1205 be received for information and filed.

1219 Yolanda Teel – Modular Supportive Housing for Beaverton

Resolution Number 41-7

That communication number 1219 be received for information and filed.

**(b) Items Extracted from Consent Agenda**

1104 Rick Harrison – Report: 2020-PS-04, Firefighter Personal Protective  
Equipment – Helmets

Councillors enquired as to the purchase of the helmets and were advised that the helmets are recommended for replacement every 10 years and the monies received through Fire Marque are permitted to be used for protection equipment purchases.

Resolution Number 42-7

MOVED BY Cria Pettingill That Report: 2020-PS-04, Firefighter Personal Protective Equipment – Helmets be received; and That Committee recommends to Council the approval for the Fire Chief to purchase 45 suppression firefighting helmets and the monies received from Fire Marque Inc. be used to fund the helmet purchase.

MOTION CARRIED

1163 Brett Bloxam – Beaverton Supportive Housing Project

1165 Jane Pattillo – Durham Affordable Supportive Housing Project

Councillors expressed disappointment that they were not informed of this proposal after it was addressed at Regional Council and enquired why Brock did not appear on the list of locations. Mayor Bath-Hadden advised that the Region had previously identified Brock as a location and explained that the process commences with the approval of Regional Council following which it is brought to the municipality.

There was discussion with respect to the online portfolio on the Region's website which provides information to the public on the matter, the Region's goal to build 1,000 units of supportive housing throughout the Region with Brock accounting for 5% of that (50 units), and that a forthcoming petition for Council's consideration would provide the opportunity for further discussion by Councillors.

Resolution Number 43-7

MOVED BY Cria Pettingill That communication numbers 1163 and 1165 be received for information and filed.

MOTION CARRIED

1066 North Durham Social Development Council (NDSDC) – NDSDC recommendations to the proposed North Durham Hub

Councillors enquired as to the impact of the mobile hub on lower tier municipalities and was advised that staff could request further details.

Resolution Number 44-7

MOVED BY Walter Schummer That communication number 1066 be received for information.

MOTION CARRIED

**(c) Other Business**

Rick Harrison: Verbal Update, Farm 911 Project – 2020 Regional Funding Allocation

The Clerk provided an overview and advised that this project was presented to the Region in April 2019 with respect to signage for rural secondary addresses in response to a rural Hastings County tragedy, working groups met in May and August 2019, and in February 2020, the Region approved \$300,000 in funds for farm signage implementation. She noted that Brock will receive \$60,000 toward this initiative.

Resolution Number 45-7

MOVED BY W.E. Ted Smith That Committee grant permission to execute the agreement; and That a motion be brought forward at the September 28, 2020 Council meeting.

MOTION CARRIED

**Corporate Services Committee**

**(a) Consent Agenda**

1098 The Regional Municipality of Durham – Region of Durham Woodland Conservation and Management By-law (Regional Woodland By-law)

Councillor Pettingill advised of the need for a Brock specific woodland by-law to which the Clerk advised a separate motion would be required.

Resolution Number 46-7

MOVED BY W.E. Ted Smith That communication number 1098 be received for information and filed.

**(b) Items Extracted from Consent Agenda**

None

**(c) Other Business**

None

**8. Other Business**

- 1) The Clerk requested a date for a public meeting to gather input on streetlight charges and Councillors agreed to a public meeting on Monday October 26, at 6:00 p.m. prior to the Council meeting at 7:00 p.m.
- 2) Mayor Bath-Hadden enquired as to the status of the public questions section on the agenda and was advised that it remains on hold and staff are researching options.

**9. Closed Session**

- 1) Personnel Matter  
Pursuant to Section 239(2)(b) of the Municipal Act, 2001 to discuss personal matters about an identifiable individual, including municipal or local board employees; and,  
Pursuant to Section 239(2)(f) of the Municipal Act, 2001 to discuss advice that is subject to solicitor-client privilege.

See earlier in the meeting.

**10. Public Questions and Clarifications**

Suspended until further notice.

**11. Adjournment**

Resolution Number 47-7

MOVED by Lynn Campbell that we do now adjourn at 2:31 p.m.

Re: Bridge No. 28 Rehabilitation, The Corporation of the Township of Brock  
Contract Documents, Contract No. B2020-PW-01

Mr. Lagrandeur:

Please find enclosed 3 copies of the Contract Document executed by the Contractor, for execution by the Township of Brock. Please return 2 hard copies once executed and we will forward on to the Contractor for their records.

Carlington Construction Inc. provided the following documentation which we have inserted into the Contract:

- Performance Bond;
- Labour and Materials Payment Bond;
- Certificate of Insurance; and
- WSIB Clearance Certificate.

Carlington Construction Inc. also provided the following documentation which is enclosed with this letter.

- Notice of Project Form 1000; and
- Registration of Constructors and Employers Engaged in Construction.

Once the Construction Schedule is received, we will forward to you. Please call if you have any questions or require additional information.

Yours truly,

**Tatham Engineering Limited**

## Registration of Constructors and Employers Engaged in Construction Inscription des constructeurs et des employeurs associés à des travaux de construction

Pursuant to section 5 of the Construction Regulations made under the OHSA, "Before beginning work at a project, each constructor and employer engaged in construction shall complete an approved registration form. The constructor shall ensure that each employer at the project provides to the constructor a completed approved registration form; and a copy of the employer's completed form is kept at the project while the employer is working there."

Conformément à l'article 5 du règlement intitulé Construction Projects, pris en application de la Loi sur la santé et la sécurité au travail, «les constructeurs et les employeurs associés à des travaux de construction doivent remplir un formulaire officiel avant de commencer leurs travaux. Les constructeurs doivent veiller à ce que tous les employeurs associés au chantier lui remettent un formulaire d'inscription dûment rempli. Une copie du formulaire d'inscription des employeurs doit être gardée au chantier tant et aussi longtemps que les employeurs y travaillent.»

Release of Agreement 425 Concession Road 2 Sunderland Casquenette Owner

doc05298520200902112523.pdf

Nice speaking with you Arlene, it has been awhile.

Please find attached a copy of the original agreement registered on title for your reference and confirm that both Louis Joseph Earl Casquenette and Marguerite Maude Casquenette are both deceased and in order to sell the subject lands we need this agreement removed from title.

I have also attached the release of the agreement for execution by Township of Brock so that we may register prior to the sale of this property on scheduled to close on Sept 16<sup>th</sup>, 2020.

If you require any further information or documents please let me know.

Thank you for your assistance

Diana

THIS AGREEMENT made this 7th day of April, 1997.

B E T W E E N:

KEVIN HAROLD CASQUENETTE and  
CHARLENE DOROTHY CASQUENETTE

Hereinafter called "the Casquenettes"  
OF THE FIRST PART  
AND

THE CORPORATION OF THE TOWNSHIP OF BROCK  
Hereinafter called "Brock"  
OF THE SECOND PART

WHEREAS the Casquenettes are the owners of Part of  
Lot 5, Concession 2, being Part 2 on Plan 40R-13252, in the  
Township of Brock, in the Regional Municipality of Durham;

AND WHEREAS the Casquenettes have requested  
permission for a second dwelling unit to be located on the  
subject property notwithstanding the use restriction of the  
property to one single family dwelling;

AND WHEREAS Brock has agreed to tolerate the temporary  
location and existence of the second dwelling unit upon the  
said lands subject to the terms of this agreement;

NOW THIS AGREEMENT WITNESSETH that in consideration  
of the mutual covenants herein contained, the parties hereto  
hereby agree as follows:

1. (a) Brock will allow Casquenettes to construct a new  
dwelling on the subject property to include a second dwelling  
unit provided that the second dwelling area will be occupied  
for residential purposes for the parents of Kevin Harold  
Casquenet, namely, Louis Joseph Earl Casquenet and  
Marguerite Maude Casquenet. No other person or persons  
shall be entitled to reside in the said second dwelling unit.

(b) The newly constructed dwelling containing the second  
dwelling unit shall be occupied by Kevin Harold Casquenet  
and Charlene Dorothy Casquenet.

(c) The second dwelling unit area shall cease to be used  
as a dwelling at such time as Louis Joseph Earl Casquenet  
and Marguerite Maude Casquenet cease to occupy the said  
unit or the Casquenettes cease to occupy the said dwelling.

(d) In the event the Casquenettes do not comply with the  
terms of this agreement, Brock shall be entitled to take steps  
to remove the additional dwelling unit and Casquenettes shall  
pay all of the costs of the Township in connection therewith and  
such costs shall be a charge against the lands herein.

3

-2-

THIS AGREEMENT shall run with the said lands and shall be for the benefit of and be binding upon their heirs, executors, administrators, successors and assigns of the parties hereto.

THE PARTIES hereto hereby consent to the registration of this agreement upon the lands affected thereby. The lands affected by this agreement are more particularly described as Part of Lot 5, Concession 2, now being Part 2, Plan 40R-13252, in the Township of Brock, in the Regional Municipality of Durham (formerly in the Township of Brock, County of Ontario)

IN WITNESS WHEREOF the Parties hereto have hereunto set their hands and seals and The Corporation of the Township of Brock has hereunto affixed its Corporate Seal under the hands of their proper signing officers in that behalf.

# Notice of Motion

Whereas it is understood that The Council of The Township of Brock works best when all members of Council have the same information at the same time and it is also understood that the residents of Brock Township deserve the best information from their elected officials in a timely manner

Furthermore it is understood that certain members of Council may come into material information affecting The Township and its residents before such information may otherwise become available to other members of Council or the general public especially in cases where members of Council benefit from being on other elected or appointed bodies including, but not limited to, Regional Council.

Therefore, be it resolved that members of Council coming into information of material significance to The Township and its residents will share such information in a timely manner as to not unfairly leave other members of Council in inequitable positions and that such information shall be shared at the next available meeting of Council or Committee of The Whole and where no such meeting is scheduled to take place within 10 days that the member(s) of Council in possession of material information shall forward the information to members of Council via email at their earliest possible convenience except in circumstances where dissemination of such information would be in contravention of *The Municipal Act*.

# By-laws

**DARYL PHOENIX**  
**ZONING BY-LAW AMENDMENT**  
**PT LT 22 AND 23, CONCESSION 6**  
**(S2165 CONCESSION ROAD 6, SUNDERLAND)**  
**TOWNSHIP OF BROCK**

**August 2020**  
**File No. 12-2019-RA**  
**By-law No: 2973 – 2020**

**NOTICE OF THE PASSING  
OF A ZONING BY-LAW BY THE  
CORPORATION OF THE TOWNSHIP OF BROCK**

**TAKE NOTICE** that the Council of the Corporation of the Township of Brock passed By-law No. **2973 - 2020** on the 28th day of September, 2020, pursuant to Section 34 of the *Planning Act*, R.S.O. 1990, as amended. All written/oral submissions made in respect of this application were considered by Council as contained within the staff report/resolution.

**AND TAKE NOTICE** that any person or agency who, **before the by-law was enacted, made oral submissions at a public meeting or written submissions to Council**, may appeal to the Local Planning Appeal Tribunal (LPAT) in respect of the By-law by filing with the Clerk of the Corporation of the Township of Brock not later than **4:30 p.m. on the 19th day of October, 2020** a notice of appeal on the prescribed form available in the office of the Clerk or from the LPAT website at [www.elto.gov.on.ca](http://www.elto.gov.on.ca) together with a certified cheque in the amount of \$300.00 payable to the Minister of Finance.

**The grounds for an appeal are restricted to: a) inconsistency with a Provincial Policy Statement; b) fails to conform with or conflicts with a Provincial Plan; or c) fails to conform with an applicable Official Plan. A notice of appeal must explain how the by-law is inconsistent with a Provincial Policy Statement, fails to conform with or conflicts with a Provincial Plan, or fails to conform with an applicable Official Plan.**

**PLEASE NOTE** that only individuals, corporations and public bodies may appeal a zoning by-law to the LPAT. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or the group on its behalf.

**NO PERSON** or public body shall be added as a party to the hearing of the appeal unless, before the by-law was passed, the person or public body made oral submissions at a public meeting or written submissions to the Council or, in the opinion of the LPAT, there are reasonable grounds to add the person or public body as a party. Additional information regarding public participation at LPAT, is available through the LPAT Support Centre at 1-866-448-2248.

An explanation of the purpose and effect of the By-law, describing the lands to which the By-law applies, and a Key Map showing the location of the lands to which the By-law applies, are attached.

The complete By-law is available in the office of the Clerk during regular office hours (8:30 a.m. – 4:30 p.m.) and on the Township website: [www.townshipofbrock.ca](http://www.townshipofbrock.ca).

Dated at the Corporation of the Township of Brock this 28<sup>th</sup> day of September, 2020.

**EXPLANATORY NOTE**

**TO ZONING BY-LAW NO. 2973- 2020 PASSED  
BY THE COUNCIL OF THE CORPORATION  
OF THE TOWNSHIP OF BROCK**

<b>LANDS AFFECTED:</b>	This By-law applies only to certain land located on the west side of Simcoe Street and north side of Brock Concession Road 6. The property is described as Part South ½ Lot 22 and Part Lot 23, Concession 6 (Brock), Brock Township (municipally known as S2165 Concession 6, Sunderland). The general location of the subject land is shown on the Key Map attached hereto.
<b>PRESENT ZONING:</b>	Zoning By-law No. 287-78-PL, as otherwise amended, places the subject land in the Rural (RU) and Environmental Protection (EP) Zone categories.
<b>PROPOSED ZONING:</b>	The amendment, upon approval, will rezone the land within the Rural (RU) and Environmental Protection (EP) Zone categories to Rural Exception 56 (RU-56), Rural Exception 57 (RU-57) and Environmental Protection (EP).
<b>PURPOSE &amp; EFFECT:</b>	<p>The purpose and effect of By-law Number 2973-2020 is:</p> <ol style="list-style-type: none"><li>1. To prohibit the development of additional residential uses on those lands identified as Part 1 on the appended Key Map.</li><li>2. To prohibit the housing of livestock in the steel-clad structure / barn on those lands identified as Part 2 on the appended Key Map.</li><li>3. To revise the boundaries of the Environmental Protection (EP) zoning on those lands identified as Part 3 on the appended Key Map.</li></ol>

 Subject Land

**The following is a copy of  
Zoning By-law No. 2973-2020 of the  
Corporation of the Township of Brock**

**ZONING BY-LAW NUMBER 2973-2020**  
**OF THE**  
**CORPORATION OF THE TOWNSHIP OF BROCK**

**BEING A BY-LAW UNDER THE PROVISIONS OF SECTION 34 OF THE PLANNING ACT, R.S.O., 1990, AS AMENDED, TO AMEND ZONING BY-LAW NUMBER 287-78-PL, AS OTHERWISE AMENDED, OF THE CORPORATION OF THE TOWNSHIP OF BROCK, WITH RESPECT TO CERTAIN LAND LOCATED WITHIN PT LOT 22 AND 23, CONCESSION ROAD 6 (BROCK), IN THE TOWNSHIP OF BROCK, REGION OF DURHAM.**

**WHEREAS** the Council of the Corporation of the Township of Brock has received a formal application to amend By-law Number 287-78-PL, as otherwise amended, with respect to the above-noted lands;

**AND WHEREAS** the By-law hereinafter set out is in conformity with the approved Official Plans for the Regional Municipality of Durham and the Township of Brock;

**AND WHEREAS** the Council of the Corporation of the Township of Brock conducted a public meeting on the 13th day of July, 2020, pursuant to Section 34 (12) of the *Planning Act*, R.S.O. 1990, as amended;

**NOW THEREFORE** the Council of the Corporation of the Township of Brock **ENACTS** as follows:

1. **THAT** Plate “A1” of By-law Number 287-78-PL, as otherwise amended to the contrary, is hereby further amended by changing the Zone classification on those lands located within Part Lot 22 and 23, Concession 6 (Brock), from the Rural (RU) and Environmental Protection (EP) Zone categories to a Rural Exception 56 (RU - 56), Rural Exception 57 (RU – 57) and Environmental Protection (EP) Zone categories in accordance with Schedule “A” attached hereto and forming part hereof.
  
2. **THAT** Section 9.4, entitled “Rural (RU) Zone Category Exceptions” is hereby amended by inserting the following clause which shall read as follows:

“9.4.56           RURAL EXCEPTION 56 (RU-56) ZONE

Notwithstanding the uses permitted within the Rural (RU) Zone, as set forth on Plate “B” of By-law Number 287-78-PL, as otherwise amended to the contrary, within the Rural Exception 56 (RU-56) Zone, located within Part Lot 22 and 23, Concession 6 (Brock), all residential uses as set forth on Plate “B”, Column 5, Lines 1 – 11, inclusive, shall be prohibited. In all other respects the provisions of the Rural (RU) Zone and By-law Number 287-78-PL shall be complied with.”

3. **THAT** Section 9.4, entitled “Rural (RU) Zone Category Exceptions” is hereby amended by inserting the following clause which shall read as follows:

“9.4.57           RURAL EXCEPTION 54 (RU-57) ZONE

Notwithstanding the uses permitted within the Rural (RU) Zone, as set forth on Plate “B” of By-law Number 287-78-PL, as otherwise amended to the contrary, within the Rural Exception 57 (RU-57) Zone, located within Part Lot 22 and 23, Concession 6 (Brock), the keeping of livestock/animal husbandry shall be prohibited within the existing steel clad shed/barn. In all other respects the provisions of the Rural (RU) Zone and By-law Number 287-78-PL shall be complied with.”

4. **THAT** Zoning By-law No. 287-78-PL, as otherwise amended, is hereby amended to give effect to the foregoing, but Zoning By-law No. 287-78-PL, as otherwise amended, shall in all other respects remain in full force and effect.
5. **THAT** Zoning By-law No. 2909-2019 shall come into force on the date it is passed by the Council of the Corporation of the Township of Brock subject to the applicable provisions of the *Planning Act*, R.S.O., 1990, as amended.

**THIS BY-LAW READ TWICE THIS 28TH DAY OF SEPTEMBER, A.D., 2020.**

## To Zoning By-law No. 2973-2020

This is Schedule "A" to By-law No. 2973-2020  
Passed this 28th day of September, 2020

Mayor - Debbie Bath-Hadden

Clerk - Becky Jamieson

THE CORPORATION OF THE TOWNSHIP OF BROCK

BY-LAW NUMBER 2977-2020

BEING A BY-LAW TO APPOINT A MUNICIPAL LAW ENFORCEMENT OFFICER FOR THE CORPORATION OF THE TOWNSHIP OF BROCK PURSUANT TO SECTION 15 OF THE POLICE SERVICES ACT, R.S.O. 1990, AS AMENDED

---

**WHEREAS** section 15 of the Police Services Act, R.S.O. 1990, as amended, authorizes municipalities to enact by-laws to appoint Municipal Law Enforcement Officers;

**AND WHEREAS** the Council of the Corporation of the Township of Brock deems it expedient to appoint a Municipal Law Enforcement Officer;

**NOW THEREFORE** the Council of the Corporation of the Township of Brock enacts as follows:

1. THAT Andrew Crichton, [REDACTED] and Joshua Smith, presently [REDACTED] are hereby appointed as Municipal Law Enforcement Officers for the Corporation of the Township of Brock.
2. THAT said Andrew Crichton and Joshua Smith, when acting in their capacity as Municipal Law Enforcement Officers, shall be known as “By-law Enforcement Officers.”
3. THAT By-law Number 2639-2016-PP, By-law Number 2949-2020, and By-law Number 2950-2020 be and the same are hereby repealed in their entirety.
4. THAT this by-law shall come into force and effect upon the date of its enactment.

**THIS BY-LAW READ A FIRST, SECOND, AND THIRD TIME AND FINALLY PASSED THIS 28<sup>th</sup> DAY OF SEPTEMBER, A.D., 2020.**
